FORTY PER CENT VOTE CAST IN LOCAL PRECINCT

FAVORITES GO TO FRONT OVER UMATILLA AREA.

Martin and Dunne Win in Nomination for Governor; Folsom Has Majority for Recorder.

Only forty per cent of the voters in the two Hermiston precincts, 32 and 33, turned out to vote at the polls in the primary election last Friday. In the two precincts 1040 voters were registered and only 358 ballots were cast.

Harry Kelley of Hermiston of the democratic candidate for the nomination of county commissioner, carried his home precincts by a three to one vote, but lost by a substantial majority in all other precincts except Athena and Umatilla.

Congressman Martin carried the precincts for the democratic nomination for governor and Senator Dunne had a majority of nearly 94 over his nearest opponent, Sam H. Brown.

The closest race in the county was that for the republican nomination for county recorder, Jack Folsom having a lead of 56 votes over Anna M. Harthorn.

R. E. Bean has been given the republican nomination for state senator; J. H. E. Scott and Carl Engdahl the two republican nominations for representative, while Guy Johnson and Raley Peterson were nominated by democrats. J. O. Hales, county commissioner, was given an overwhelming vote for re-nomination and Barney Anderson was nominated for county commissioner by the democrats.

Dr. J. A. Best, republican candidate for state senator had no opposition and the same thing is true of Bruce Shangle for the democratic nomination for senator and of Jack Allen, democratic nominee for joint senator.

Do your part, buy a poppy!

FUN AND FEATHERS FLY AS "LOVE BIRDS" FIGHT.

You have roared with laughter at the screen antics of Slim Summerville and Zasu Pitts, but you have never seen them in anything as funny as "Love Birds", their latest comedy which will show at the Oasis theatre Friday and Saturday.

The riot starts in an Ohio town, later taking them to the sandy wastes of the great American Desert, where, although they are arch enemies, they are thrown together in a tumble-down ranch house, miles away from nowhere. How they are the innocent bewildered cause of a wild gold rush into the desert is only one of the hilarious situations of the picture.

Mickey Rooney, the screen's outstanding boy actor of the screen plays the biggest and most original role of his young career as the goody-good Gladwyn.

There will be another surprise show Saturday night. Everyone in the theatre for the regular second show will see the surprise picture free.

Visit From Michigan.

Mr. and Mrs. J. S. Royce, grandparents of the Misses Edith and Margaret Clarke, arrived last Friday morning from Sault Ste. Marie, Michigan, and will make an extended visit at the home of Mr. and Mrs. J. A. Clarke. They expect to visit at their old home in Everett, Wn., and at other points in Washington before returning to Michigan in October. Mr. and Mrs. Royce find crops much more advanced here than they are in Michigan where the grain is just being seeded. Sault Ste. Marie is located on the northern peninsula and is one of the largest shipping centers in the states. More tonnage is carried through the four lock canal connecting Canadian traffic with the great lakes than through any other canal, including Panama.

MISSION INDIANS COMING TO HERMISTON SUNDAY

League Standing.		
Team	Won	Lost
Hermiston	3	2
Echo	3	2
Pendleton	3	2
Athena	2	2
Indians	1	4

The Mission Indians are coming to Hermiston Sunday afternoon to battle with the Hermiston baseball players in a game which will decide the league standing. Three teams are now tied for first place, Hermiston, Echo and Pendleton, and Sunday's game will have a decided bearing upon the Umatilla League leadership. Pendleton will tangle with Athena on the same day.

Hermiston received a sudden setback last Sunday afternoon at the hands of the Echo team when Echo scored 16 runs against Hermiston's two runs.

The Hermiston players started the scoring in the second inning when Ray Woodward, who leads the Hermiston batting average, connected with a three base hit, scoring Kopeck, who was on second base.

Echo started the fireworks in the same inning when Eddie Liesegang, young high school player, inspired the team with a home run, bringing in one man. They continued their hitting by scoring four more runs in the third inning.

Hermiston's second run was made in the fourth when Dick Martin sacrificed, scoring Ray Woodward.

All four Hermiston pitchers were put on the mound to hold the strong hitting Echo team, but were unable to stop them.

Sunday's game with the Indians is going to be a thriller, and a large crowd is expected to turn out to see the game. Hermiston lost to the Indians in the first league game of the season, and are going to exert everything they have to win.

The board accepted the resignation of R. C. Todd as president and elected John Jendrzewski to fill the vacancy. They also elected Enos Martin as secretary-treasurer, to replace Harry W. Kelley, and Mr. Todd as vice president.

The board outlined a tentative program for the next fair and suggested the dates of September 8-9-10, one day for fair displays and judging and two days of rodeo. The board did not make these plans permanent but will alter dates according to plans for the Pendleton Round-Up and other celebrations which will be announced later.

R. C. Todd accepted the job as superintendent of the farm crops display which will be made in the woman's building. Other superintendents and chairman named were: Publicity and premium list, Harry W. Kelley of Hermiston, and Lloyd Russell of Stanfield; Dairy division, Chas. Lynch and L. C. Dyer; Poultry division, Lyle Tilden and Chester Flannigan; Grounds and rodeo, Roy Attebury. N., of Umatilla, and by Mrs. Beatrice McKentle, R. N., of Hermiston. This clinic was conducted to provide tonsillectomy at a price within the reach of everyone. A number of other parents have requested that further clinics be held in the near future and accordingly another tonsil clinic will be held Wednesday, June 20, and another some time in August. Adults are invited to join this clinic and are requested to make appointments well in advance of clinic dates.

Mary Jane Sheridan of Seattle, former resident of Hermiston and Stanfield, arrived on the project Monday and visited with Mrs. Jasper Templeton before going to Echo where she was the guest of her aunt.

ALONG THE CONCRETE

Speaking of embarrassing moments, Mrs. Walter Hamm tells of experiencing one—in fact several—last Friday night. She was unable to get into the Methodist church to hear the main address at the commencement exercises, but went in later to congratulate members of the class. She walked up to whom she supposed was the speaker and told him how sorry she was that she had not been able to hear his address, and told him the circumstances. He expressed his regret at her misfortune and said had he known he would have talked louder. Imagine her embarrassment when Mr. Hamm none too gently informed her that she had not addressed the main speaker but the preacher.

Calling all cars! Calling all cars! But the only one that could be seen on Main street was the Hanby streamline silver streak.

Mrs. H. E. Shesely now spends a great deal of her time studying the children's section of the wish book.

Satan will take over the world in September, according to the Prophet of Zion. For the first time, we find ourselves feeling sorry for Satan.—Weston Leader.

Has anyone missed a dog? G. W. Bailey told a friend yesterday that he was "going to the butcher shop and see if I can't sell a dog."

One consolation the defeated candidates have is that they were sure of one vote.
