## STANFIELD SCOUT TROOP WILL BE INSTALLED NOVEMBER 14

O. W. Payne, Scout Master for Hermiston Troop No. 56, received word this week from Robert R. Hayes, Blue Mountain Council Scout Executive, that plans have been completed for installation of troop No. 56 at Stanfield, Ore., Wednesday, November 14. Installation will be held in the high school auditorium at 8:00 o'clock.

The Stanfield troop is the newest to be organized in the Blue Mountain Council which comes under the supervision of Robert R. Hayes.

Following installation a Court of Honor will be held in which two Hermiston Scouts will be awarded merit badges. They are Earl Watson and Paul Marble. Members of the Umatilla Scout troop will also take part and receive awards according to Raymond McNabb, Scout Master.

At the regular Tuesday night meeting of the local troop plans were made for a Negro minstrel show to be presented some time in the near future. Two new candidates who had qualified were taken into the troop. They were Donald Pankow and Elbert Moore.

## HIGH SCHOOL NOTES

Tuesday the Torch Honor society presented an assembly program. The president, Edna Turnblad, gave a talk outlining the purpose of the society. She pointed out that the organization encourages high scholastic standards and participation in school activities. A freshman is eligible for membership at the end of his school year if he has earned 24 points. At the beginning of the year a junior is eligible if he has 50 points to his credit, while a senior must have 80. Sophomores who become members are awarded a one bar pin. Juniors receive a two bar pin, while the seniors wear the torch pin. In order to keep the torch pin a senior must graduate with 110 points. Receiving high grades in studies gives a student the most points. Five points are given for grades of "A"; three points for grades of "B"; and two points for "C's". A grade of "D" subtracts points, and no points are awarded for a grade of "F".

During the program pins were awarded to the following sophomores: John Conrad, Irene Kennings, Lois Hutchinson, Wayne Powell, Bill Harris, Bonnie Jean Pollett, Helen Dunning, Vivian Dyer, Opal Stockard and Harold Rainwater. Juniors who received pins are: Wanda Needles, Eleanor Dawson, Barbara Reid, Maxine Paul, Charlotte Ralph, and Bill Jackson. Torch pins were given to Edna Turnblad, Margaret McMullen, Neva Richards and Florence Lewis.

Wednesday 255 grade and high school students saw Zane Grey's "South Sea Islands" shown on a screen in the high school assembly room. The play was sponsored by the senior class. Half of the proceeds received after paying the company \$5.00 to get the picture, went to the class. The money will be used to fix up the stage at the Oasis theatre. The scenery purchased will be used only when high school plays are given.

Tuesday the sophomores won an interclass debate with the freshmen. Edna Turnblad, Margaret McMullen and George Knapp were judges. The decision was 2 to 1. Wayne Powell and Rose Mary Serrell debated for the freshmen. Sore Mary Serrell was judged the best individual debater by two of the judges, and the other one awarded this distinction to Nina Ray McCulley.

Thursday the senior and freshman classes gave an assembly program to pay off a penalty for losing in a student body ticket selling contest. The freshmen class sang Mr. McAtee's revision to the state song of Idaho. Helen Ralph and Jane Jackson sang a vocal duet. A violin solo was played by Thelma Swarner accompanied by Marie Skovbs. Anna Sommerer played a piano solo, and Nina Ray McCulley, Leonard Bales, Frank Furrer and Edward Hall played harmonica solos. A reading was given by Leah Harris. The seniors presented a side splitting pantomime, and musical numbers by Bruce Follett and Ed Peterson were given.

This week the high school board presented the high school with a new set of Americana encyclopedias.

## F. C. MCKENZIE RE-ELECTED MAYOR CITY OF HERMISTON

### O. C. PIERCE NAMED NEW CITY TREASURER.

M. L. Watson New Member of City Council; Economical Administration Required.

F. C. McKenzie was re-elected mayor of the City of Hermiston at the general election Tuesday, and will be teamed with Chas. Taylor, as city recorder. O. C. Pierce as treasurer, and the following councilmen: B. S. Kingsley, N. R. Mueller, B. Haneline, M. L. Watson, Floyd Knerr and Geo. Wagner. These men will direct the business of the city of Hermiston for the next two years. The vote cast for each candidate was as follows:

F. C. McKenzie, 203; Chas. Taylor, 202; O. C. Pierce, 198; B. Haneline, 185; B. S. Kingsley, 199; Floyd Knerr, 175; Geo. Wagner, 145; M. L. Watson, 188; N. R. Mueller, 189; J. S. Burnham, 100; and O. O. Felt-house, 79.

During the past two years the City of Hermiston has been operated upon a strictly cash basis, while at the same time retiring city street improvement warrants and water bonds. Due to the fact that a small percentage of district tax money has been paid in for the operation and maintenance of city government, strict economy has been necessary.

With the re-election of the same officers and the addition of Mr. Pierce and Mr. Watson to the body, another successful administration of city government is anticipated. P. P. Sullivan was elected Justice of the Peace and H. A. Pankow as Constable.

### Another Contestant Award.

Another award was made to Jimmie Bensch, 5-year-old son of Mr. and Mrs. Wm. Bensch of North Hill, in the Sears Roebuck National Baby contest which closed recently at the Century of Progress Exposition in Chicago. Before the award was made the contestant had to be among the first 100 entries in the state to be considered.

### Injured in Fall.

Mrs. W. A. Haneline was painfully injured Sunday morning when she fell down a flight of stairs leading into the basement of her home in Minnehaha district. She was unconscious for fully an hour. She was taken to Walla Walla where X-ray pictures were taken which revealed a slight injury to the spine. She is recuperating at her home.

During 1933, a total of 7,720 students from foreign countries attended colleges and universities in the United States.

## RED & WHITE GROCERY STOCK PURCHASED BY B. S. KINGSLEY

B. S. Kingsley, proprietor of the Kingsley's Cash & Carry grocery store, announced this week that he has purchased the Red & White grocery stock from J. M. Norton who is dissolving his business connections here in order to take over a similar business at Mt. Vernon, Ore., near John Day. Mr. Kingsley will reduce the stock and although plans are not definite, may move into the location where the Red & White store has been established.

Mr. Norton plans to wind up his business here before the last of the month and will be established at Mt. Vernon by December 1st. Mr. Norton has been in the grocery business here for the past ten years and he and Mrs. Norton leave many friends. Mr. Vernon is located eight miles from John Day and is considered one of the important trading posts in that district.

### Return from Coast Trip.

Mr. and Mrs. D. Neill of Pine City returned last week from a three week's trip along the Oregon coast. They left October 16 and enroute to southern Oregon points visited Miss Alma Neill at Salem, where she is enrolled as a freshman at the Willamette University, and also with Rev. and Mrs. Guy Drill who formerly lived in Pendleton. At Eugene they spent the night with Mr. and Mrs. Cecil Warner and family. Journeying on to Gold Beach they spent two days looking up old friends and visiting with Mr. and Mrs. O. Furguson who are former residents of Heppner. They also spent some time in Coquille, Bandon and at Willamina, where Mr. and Mrs. W. E. Jones are now making their home. They returned to eastern Oregon by way of Roseburg.

### Traveled Scholar Visits.

James C. Rettle of Fossil, Ore., a close friend of Mr. and Mrs. O. W. Payne, who recently returned from a Sherwood Eddie Student Tour which covered in particular Germany and Russia, was a guest at the Payne home last week. Mr. Rettle was returning from a trip to La Grande where he was in demand as a speaker. He is a graduate of Willamette University, Yale and was awarded a scholarship to the University of London. Due to the fact that he returned from the tour in July Mr. Rettle is teaching under the SERA this winter.

### Accident Victim Recovering.

Harold Buell, son of Mr. and Mrs. O. H. Buell, who sustained a fractured skull and other body injuries in an automobile accident last week, is reported as slowly improving. He is a patient in the St. Anthony hospital in Pendleton, and as yet has not been allowed to receive visitors. Lawrence Hunt, who was also injured, has returned home and expects to enter school next week.

## ROMANCE MEETS MYSTERY IN HIGH SCHOOL PRODUCTION

### FLEEING COUPLE DISCOVERED BY FATHER.

Two Strange Men Add to Mystery; Father Spices Romance at Auto Camp; Entanglements.

The junior class play "Hold Everything" will be presented Thursday, November 15, in the Oasis theatre at 8:00 p. m., under the direction of Miss Margaret Elliott, as the first high school production of the school year.

The plot is unravelled in a tourist camp owned by Mary Burnham, assisted by her colored maid, Elva Stamper. It seems as though Christopher Morgan, a banker, (Bill Jackson) has set his heart on a match between his daughter, Connie, (Ruth Dodd) and Courtney Barret, (Fred Rankin) the son of an old friend. But this course of love does not run smooth. Connie dislikes the plan and runs away with her friend Bee Williams (Maxine Paul.) The scene opens with them putting up at the tourist home for the night. It is here that Connie meets a strange man, but just as true love takes possession of their hearts her father arrives on the scene in hot pursuit, having discovered the flight.

This of course complicates matters. It is not until two more strange men (Dale Carson and Herbert Skovbo) arrive on the scene, carrying a mysterious bag, and pursued by another man (Archie Fry) that the plot becomes too thick to set thru. Everybody at the camp becomes suspicious of everybody else. The mysterious bag starts on the merry-go-round. Mrs. Gibb (Eleanor Dawson) and her three daughters (Charlotte Ralph, Barbara Reid and Wanda Needles) who are stopping over night at the camp, get involved in the plot. When the plot is untangled the audience will have been thoroughly entertained.

### Stores Will Close Monday.

In observance of Armistice Day which comes on Sunday, November 11, all stores will close Monday of next week. There will be no celebration in Hermiston but the American Legion in Pendleton is observing the day.

## FIRST TURKEY POOL OF SEASON SHIPS 1853 POUNDS BIRDS

The first fall turkey pool through the Eastern Oregon Turkey Growers' association was held Saturday, November 4, with only 1853 pounds shipped. This first pool took in but few of the young birds, so few of which were ready for marketing. Most of the birds marketed through this pool were breeding stock held over from last year, it was stated by officials of the association.

A total of 1333 lbs. of prime birds were shipped; 342 lbs. choice birds; and 183 lbs. of commercial grade birds. This shipment went to Vancouver, the report showed. The second, and what is said to be the largest pool of the season, will be held November 19th and 20th.

## AMERICAN LEGION WILL JOIN PENDLETON ON ARMISTICE DAY

The American Legion Post No. 37, Hermiston, will join with Pendleton on Armistice day, Monday, November 12, in a celebration by adding a float to the parade. There will be no celebration in observance of the day in Hermiston but all the business houses will be closed.

A football game between the Pendleton and Enterprise high school teams will be a big feature of the day.

## HIGH FIDELITY SOUND EQUIPMENT INSTALLED.

With the showing of "Age of Innocence" at the Oasis theatre Friday and Saturday the revolutionary new "High Fidelity" sound equipment will be initiated.

A new giant loudspeaker, capable of reproducing the entire range of audible frequencies with the utmost fidelity, has been installed on the stage.

## GOVERNOR MEIER WILL GIVE RADIO ADDRESS NOVEMBER 10

Governor Julius L. Meier will speak over the combined outlets of radio station KGW and KOIN at 9:45 p. m., Saturday, November 10. The governor will talk on a subject that is of general and vital interest to every citizen in Oregon.

## STATE AMERICAN LEGION PRESIDENT WILL SPEAK

Mrs. Cecelia Gunn, state president of the American Legion Auxiliary, of Portland, will be the main speaker at a special meeting of the Hermiston Unit, Friday, November 16, in the Legion hall. Mrs. Gladys Trumbull, also of Portland, and state vice president will also be a speaker at the meeting.

Mrs. Gunn and Mrs. Trumbull will arrive in Hermiston Sunday and will make their headquarters at the home of Mrs. Beatrice Christopherson, who is president of district No. 6. During the week they will visit all units in the district, opening at Pendleton Monday.

Plans for the entertainment of the state officers were made Thursday night at the regular meeting for the local unit, of which Mrs. Anna Castric is president.

## OREGON NOW VIRTUALLY FREE OF CATTLE TUBERCULOSIS

Oregon is the second state on the Pacific coast and one of the 17 states in the union virtually free of cattle tuberculosis, states a release from the Oregon news bureau from Washington, D. C., Monday. The department of agriculture Monday through the bureau of animal industry recognized Oregon as a modified accredited area, which means that all cattle have been tested and all animals which react to the test have been slaughtered.

Washington reached this goal four months ago, being the first state in the far west.

### Attend C. E. Convention.

A group of fourteen delegates from the Hermiston Christian Endeavor society attended the Columbia Union C. E. convention in Heppner Saturday, November 3, at which Claude C. Pevey, president of Heppner presided. Among those attending were Rev. and Mrs. C. R. Moore and daughter Wanda, Mrs. A. W. Turnblad and daughter Edna, Margaret Clarke, Esther McMullen, Opal Stockard, Helen Addleman, Juanita Allen, Virginia Dyer, Pauline Stoop, Bill Harris and Clement Stockard.

## ADVANCED DOPE ON HERMISTON-HEPPNER GAME

### HEPPNER FAVORED TO WIN; DEFEATED ATHENA, 7-0.

Bulldogs Take Echo Game Against Negative Predictions; Some Will Play in Final Tussle.

At 2:45 Friday afternoon the Hermiston Bulldogs will play their last game of the season when they clash with the Heppner eleven on the local field. That the game will be the best one played in Hermiston this year is not questioned. It is a well known fact that the love these schools have for each other occupies less space than the air in a vacuum. This plus the fact that the two teams have virtually the same rating in the "Who's Who and What's What" football directory should assure the side lines of as interesting a football duel as can be hoped for.

As far as the advanced dope on the teams is concerned Heppner is a little favored to win. It has just been learned that Heppner has already beaten Athena 7-0. They also took lone into camp by a 33-0 score. Of course Hermiston got lone's scalp during the season but not nearly so much of it, but in the case of Athena, the Bulldogs played them a 6-0 game once and lost 7-0 the next time. Consequently the odds on Heppner. The fact that the Bulldogs will be fighting in their own yard will be to their advantage. Furthermore Hatton's boys are in better condition than they have been any time during the season. Altho Stewart and Jendrzewski will not be in the backfield, there will be Moore, Hensel, Sisson and Throop, and it will be recalled that this quartet blended together nicely a week ago at Echo. Also, there will be Whitsett to back up the line of the defense, Throop taking his position at center when the Bulldogs don't have the ball in their possession. And as far as the Hermiston line goes, it has never been in better condition. Two of the line men, Dawson and Whitsett, will be playing their last game of high school football. And in the backfield the same can be said of Moore and Hensel. Friday's game will be their last opportunity to cut niches for themselves in their football biographies.

So all in all, although comparative records of the two teams gives Heppner the "favorable balance", these other factors weigh heavily enough to put the two elevens on as nearly an equal rating as is possible. Consequently there seems to be little question that the winning team will be the one that gets the breaks, and both sides will be playing for them.

Echo Upset. Although the dope bucket was overflowing with Echo touchdowns, Coach Hal Hatton's Bulldogs came home with a 19-0 score last Friday. Throughout the game Hermiston played a brand of football far superior to any that they have shown during the season.

Alton Sisson, Moore and Hensel broke through the Echo defense for touchdowns.

## ALONG THE CONCRETE

Floyd Knerr had his color brigade out Monday headed for the mountains to make a charge on the Bull Elk. A red hat, plaid shirt, and Scotch plaid hunting pants, made up the regalia.

Speaking of the woman auto driver—You'll notice that the one who has plenty of diamond rings never misses a chance to put out her hand in signaling.

Some ultra-fashionable women have adopted the fad of gliding their fingernails. Much might be said on this subject, but this is a respectable paper—you say it for yourself.

Thos. Campbell advising us to remove the Joe E. Dunne placard from the window. "You should be ashamed of yourself for having it there in the first place," he continued.

## Eleven O'clock—Armistice Day
