ANNE SOMMERER WINS COUNTY SCHOLARSHIP.

Helen Jendrzewski Wins State Award; Achievement Certificates Given 100 Per Cent Clubs.

Scholarships were awarded to outstanding 4-H club boys and girls at the annual achievement day program held Thursday, March 7, at the Hermiston Union church in an evening program. The county scholarship was presented to Anne Sommerer as the outstanding club girl in the Hermiston district, and Helen Jendrzewski was presented with the state scholarship as the result of placing first in canning at the state fair last year. The Umatilla Project Farm Bureau scholarship went to Bernard Jendrzewski, with Otho Whitsett as alternate, and to Esther McMullen with Jane Jackson as alternate.

Scholarships for Stanfield 4-H club members were presented to Claudia Gabriel, awarded by the Stanfield Home Economics club, with Marguerite Wood as alternate, and to Awilda Bleakney as the most outstanding livestock club member. No alternate was named for the latter scholarship.

Officials Present Awards.

Among the 4-H club officials present at the meeting were Walter A. Holt, county agent, who spoke on the need for interest of parents in the boys and girls club work.

J. A. Yeager, county school superintendent, who has charge to girl's club work in Umatilla county, gave a resume of the history of girls club work in the county. He explained that since it was started in 1923, ten clubs have developed in the Hermiston territory, with three being organized at Umatilla last year, one of which completed its work 100 per cent.

C. C. Clark, manager of the Pendleton Branch of the First National Bank of Portland, expressed his interest in club work and his pleasure at being able to have a part in the work for which his organization furnished pins for all livestock clubs in the county.

A. W. Sawyer, assistant county agent stationed here, acted as chairman of the meeting and explained the purpose of mailing out blanks to parents, which, when signed, would indicate their interest in 4-H club work.

Many Awards Received.

Leader's pins were awarded to Mrs. Wm. Kennedy of Umatilla, Mrs. T. O'Grady of Hermiston, and Edna Ott, who is now a student at Oregon State college.

Certificates of achievement were presented to the following clubs for having completed their year's work 100 per cent.

Mrs. T. O'Grady was leader of the only livestock club in this district which completed its work 100 per cent, and an achievement certificate was presented to its president, Paul Marble.

Patricia Richards lead the Stanfield sewing club which completed its work and received a certificate.

Three clubs were organized at Umatilla last year, but only one completed its work. The club with the modern name, "Streamline-Sewstitchers Sewing Club" was lead by Mrs. Wm. Kennedy. The certificate of award was presented to Lola Berry, vice president, in the absence of the president, Jo Ellen Mopp.

Achievement certificates were presented to the sewing and cooking clubs of Hermiston which have been under the leadership of Mrs. W. A. Hinefine. In the absence of Edith Clarke, president of the canning club, who is a student at Pacific University at Forest Grove, Esther McMullen received the award, and Jane Jackson received the certificate for the cooking club, of which Esther is president.

A plaque was presented to the most outstanding club in the Stanfield district which was lead by Mrs. J. M. Richards, bearing the name of the club, the leader's name and the year in which the work was completed.

As an expression of appreciation to their leader, members of the Hermiston cooking and canning clubs presented Mrs. Hinefine with a scholarship to the 4-H club summer school at Oregon State college.

DO AS RANGER IF ON RANGE, WILL ADVISE.

It's been a long time since Will Rogers used to spin a lariat as one of the principals of the Ziegfeld Follies in the old days of glorifying the American girl, but he has never disavowed the closeness of his association with the livestock business. As a small-town attorney in "The County Chairman" he goes right out on the range and eats barbecue with the hands.

He talks cattle, too, to the cattlemen. But when he crosses into the sheep country, where even to mention cattle makes sheep men see red, he is the soul of discretion. One would think he was born among the flocks and had been weaned on mutters, such as "bid he makes for the votes of the good shepherds."

OLD-FASHIONED BASKET SOCIAL BENEFIT PLANNED

LEGION SPONSORS AFFAIR FOR THURSDAY, MARCH 21.

Rare Talent Secured to Appear On Program; No Admission Charged.

A good old-fashioned basket social and community get-together will be held in the Hermiston Auditorium Thursday, March 21, for the purpose of supporting the financial program of the Boy Scout movement in this district. The affair will start at 8:00 P. M., with a short program followed by the basket auction sale. After the baskets are sold and supper served, dancing will be enjoyed by those who care to dance.

No admission will be charged, but women and girls are expected to bring baskets well filled with delicacies. Each basket should be a complete lunch for two and the man buying the basket will be the supper partner of the lady bringing the basket. Younger girls may bring baskets, too, the committee pointed out and these will be auctioned separately to young swains, at a lower price.

A program has been arranged which will be a real attraction in itself. Hal Hatton, high school coach, has consented to make his first public appearance here in a tap dance number; the Pollett brothers (no program would be complete without them) will sing and play; Velma Ambersy, 9-year-old acrobat, will do her stuff; a group of Boy Scouts will present a stunt—and there may be more, it has been announced by those in charge.

Oscar Payne, preacher, master of ceremonies, and Scoutmaster, will officiate at the selling and it is pointed out that seeing him in the role of auctioneer may in itself be an attraction worthy of note.

H. A. Pankow will have charge of making the coffee but it is assumed that his close connection with the distribution of water in Hermiston will have no influence over the coffee.

The committee has asked that those bringing baskets will include two cups and spoons in their baskets as well as their names, since coffee, cream and sugar will be served free of charge. No identification marks should be on outside of the basket.

Music for dancing will be furnished by Mel's Merry-makers, a group of local musicians. Everything for the big occasion is donated, and every cent derived from the sale of the baskets will go directly to the local Boy Scout fund.

Committee Issues Statement.

The American Legion committee in charge of arrangements for the program consists of E. E. McPherson, A. H. Cable and Guy Ambersy. An explanatory statement issued by the committee follows:

"The Boy Scouts, one of the finest boys' organizations in the world, has been neglected here during the years of depression and as a consequence are badly in debt and in need of immediate funds. The American Legion believes in Scouting and the great work it does for our boys.

"A scout committee recently attempted to raise this money by popular subscription but found it next impossible to do so. Accordingly the Legionnaires decided upon what they believe will be the biggest affair of the season in Hermiston to help put the scouts on the financial basis their organization deserves.

"Everything for this program has been donated and every cent will go to the Hermiston Boy Scout Troop.

"This is your opportunity to help the Scouts and at the same time enjoy an evening of real entertainment and fun. We urge you to attend."
