VOLUME XXIX NUMBER 35

HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, APRIL 25, 1935

OFFICIAL COUNTY PAPER

NEW STATE LAW WILL AID BANGS DISEASE CONTROL

LAW PROVIDES FOR COUNTY BANGS DISEASE INSPECTION.

Will Become Effective January 1, 1936; Unless Federal Program Is Continued.

A law to aid in the eradication and suppression of Bangs' disease within the state, which is designed to carry on the control work, if and when the federal government ceases its present testing and indemnity operations, was passed by Oregon's recent legislative session. The new law does not provide for state indemnities, but it does require the compulsory testing for Bangs' disease in all counties where the dairy animals exceed the number of other cattle kept on farms.

Any county may avail itself of the provisions of the law on the petition of owners of at least 60 per cent of all cattle in the county. On the other hand, the application of the law may be discontinued at the request of 60 per cent of the owners of cattle in that county. The law is to take effect January 1, 1936, although if the federal program is continued through 1935, the state act will become operative January 1, 1937.

The law provides for a qualified Bangs' disease inspector in each county, to be appointed by the county court, who must test all cattle periodically. The laboratory work is to be carried on at Oregon State college.

Each animal found to be free from the disease is marked with a metal ear tag or legible tattoo mark. Those found to react to the Bangs' disease test are both earmarked and branded with a letter "B" on the left hip. No dairy animal over six months of age may be sold unless it comes from a disease-tested and free herd or has been itself tested and proved free within 60 days prior to the time of disposal.

If the federal indemnity plan is dropped, the owner of reacting cattle may retain the animals so long as he will follow rules prescribed by the state department of agriculture for building up a disease-free herd. Meanwhile, he will not be permitted to allow such reacting animals within six feet of any neighboring cattle owners' property line, where disease-free or susceptible cattle are kept.

Sign-Up Deadline Extended. A short time ago it was announced that no government Bangs' disease testing agreements could be signed after April 16th. Since the above information on the state compulsory test law has been released, it was decided that farmers would be given another opportunity to get their cows tested under the government contract and receive indemnity for reactors. As was stated above, no indemnities will be paid when the state law becomes effective.

Testing in West Umatilla county will be resumed about the latter part of May. Dr. R. A. Reeve, who was doing the work here is now working in the Pendleton area.

About 3500 cows have been tested to date. Among the larger herds that have been tested are those of Alpha Christley, A. E. McFarland, Joe Kremer, Charles Lynch, W. C. Kik, J. V. Foley, R. G. Saylor, Harry Bean, Harry Owens, and many others that could be mentioned.

Any farmers who wish to sign the government agreement, should see W. A. Sawyer, assistant county agent, as soon as possible.

LARGE DELEGATION TO ATTEND STATE C. E. CONVENTION.

A large delegation plans to leave Friday morning, April 26, for the Dalles, Ore., to attend the opening sessions of the state Christian Endeavor convention which will be held there April 26th to 28th. At least 34 delegates will represent Stanfield, Hermiston, Umatilla, Irigan and Boardman.

Among those from Hermiston are: Jack Tilley and Ed Hall, as delegates; Mr. and Mrs. Chas. Duvall, Margaret McMullen, Clarence Buhman, Margaret Clarke, Alvin George, Clement Stockard, Opal Stockard, Pauline Stoop, Hugh Nell, Harold Nell, Wanda Moore, Mrs. C. R. Moore, Vivian Dyer, Virginia Dyer and Mrs. Ralph Saylor.

An unusually large delegation is expected from eastern Oregon since the convention is being held in The Dalles for the first time in many years. The delegation from here will travel by truck.

Poppy Posters Judged.

Winners in the poppy poster contest staged each year at this time were named as follows: Richard Rainwater, first; Geraldine Mullins, second. The high school posters will be judged Friday.

HERMISTON TEAM PICKS EASY GAME FROM STANFIELD

UMATILLA HOLDS FIRST PLACE IN LEAGUE.

Hermiston and Echo Tie for Second Place; Locals Play at Stanfield Sunday.

League Standing.

Table showing league standing with columns for Team, W, and L. Umatilla leads with 2 wins and 0 losses.

The Hermiston baseball team easily took Stanfield into camp on the local diamond Sunday afternoon with the score 16-1. The same afternoon, Umatilla nosed out Echo at Echo in a close, hard fought game by a score of 4-3. This gives Umatilla undisputed first place in the league, with Hermiston and Echo tied for second place, and Stanfield holding cellar position.

The game here Sunday afternoon was a run away with every man in the Hermiston team hitting and going around to cross the home plate. In the 16 runs scored, Gimble, Lynch and Henning tied, with three runs each.

The Hermiston team has been greatly strengthened by the return of Floyd Lynch from Klamath Falls. He does an exceptionally good job at holding down third base, and with Ed Throop at second and Fred Rankin now holding down first, the local team maintains an air tight infield. The Hermiston batteries has also been strengthened by the addition of Tommy Stuart, a left-handed pitcher, who is one of the high school Bulldogs into top position in the district last year.

Sunday, April 23, the local team goes to Stanfield for the return game. Echo again tangles with Umatilla on the Umatilla diamond.

HIGH SCHOOL NOTES

At a special meeting of the Girls' League last Thursday afternoon the following delegates were elected: Walla Walla: Maxine Paul, Dorothy Conrad, Rose Mary Serell, Eleanor Dawson, Charlotte Ralph, Bonnie Jean Follett, Helen Dunning, Ruth Dodd, Carrie Lage and Lois White. One of the teachers will accompany the girls, who are to meet at the high school Bulldogs into top position in the district last year.

Interesting platform speeches were given by nominees for the office of president at this meeting. Following the withdrawal of Wanda Stockard, Margaret Clarke was nominated vice president. At an election this week Maxine Paul was elected president, Margaret Clarke, vice president and Rose Mary Serell, secretary-treasurer.

The seniors and sophomores won the majority of points in the activity week contest against the juniors and sophomores, who entertained at a weiner roast on the Butte Wednesday evening. The seniors won both the girls' and boys' baseball games while the juniors conquered in the tug-of-war and in the football game. Since the horse shoe game was a tie, the points were split, as they were for the water fight which was called off because of sickness. The total score was 61-70.

Miss Margaret Elliott presided as chairman of a joint meeting of sophomores and juniors which was held Monday afternoon to plan the weiner roast for Wednesday night entertainment for the seniors and freshmen at the close of activity week. The following committees were appointed to have charge of the affair: Jack Reeves, Mary Burnham, Irene Kennings and Opal Stockard, refreshments; Herbert Skovby, Paul Marble, Hugo Partlow and Ernest Rainwater, fire wood weiners sticks.

Hermiston lost all but the girl's doubles in a practice tennis match held in Pendleton last Saturday. Those representing Hermiston were Mildred Phelps, Julia Colpitt, Maxine Paul, Frances Dawson, Kenneth Knerr, Guy Joppa, Bill Jackson and Ernest Rainwater. (Continued on last page)
