The New Proposal.

The new proposal of President Roosevelt to give a free grant of 45 percent for public buildings like the proposed union high school building, has well stirred much interest in the much needed building here. In addition to an outright gift of more than \$30,000, the president's ruling gives such buildings a loan of the remaining 55 percent, or less than \$40,000, at a rate of interest reduced from four to three percent.

than five percent. That is, under the old order the interest charge would be \$3500, while under the government proposal it would be less than \$1200. Likewise a sinking fund at three percent or more would be figured only on less than \$40,000 under one deal and on \$70,000 under the old way.

It is not out of the way, nor mere guess work to figure that it would cost the Union high school district over \$100,000 more to build, pay interest and pay off the bonds if we build the same building in the regular old order.

It is argued that taxes are high. This is true, too high. But we believe that it can be shown that present taxes will not be increased under the president's plan. And if built under the old plan taxes would be much greater. And while during the depression taxable wealth has generally decreased such is not the case in this Union high school district.

In other words, while the number of school children has increased, the supporting district has improved and is likely to continue upward. It is on a sound basis and the urgent need for capacity in school space is only commensurate with a steady growth of the community. And no community can continue to grow without good schools.

CHRISTIAN SCIENCE CHURCHES

"SOUL and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 26.

The Golden Text was, "My soul longeth, yea, even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God" (Ps. 84:2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Unless the Lord had been my help, my soul had almost dwelt in silence. When I said, My foot slippeth: thy mercy, O Lord, held me up" (Ps. 94:17, 18).

The Lesson-Sermon also included the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "When the sick or the sinning awake to realize their need of what they have not, they will be receptive of divine Science, which gravitates toward Soul and away from material sense, removes thought from the body, and elevates even mortal mind to the contemplation of something better than disease or sin" (p. 323).

The local meetings are held at 11:00 A. M. every Sunday in the American Legion hall.

NATURAL FORCES AID BUSINESS RECOVERY

By R. S. HECHT President American Bankers Association

ALTHOUGH, as official studies of business conditions show, business is still far from having struck its full stride, nevertheless, I believe that it is undoubtedly true that the natural economical processes which have always brought the nation out of a slump are now and have been for some time steadily at work laying the foundations for more active and normal business conditions.

R. S. HECHT

I believe that there is growing a broader public perception that the people of this country must make their own prosperity and not wait for the Government at Washington to make it for them. In other words, normal economic vigor and vitality of the United States is slowly but inevitably bringing a return of natural business recovery.

The Fundamental Cure

Like a doctor, the administration can help nature. But the fundamental healing processes will come from natural causes and not from political remedies. Despite the slackening of business now apparent, despite expressions of disappointment we hear from various quarters, nevertheless I am confident that these fundamental healing processes, if not spectacular, are none the less surely at work.

Gradually our business leaders are showing greater confidence in the future and are assuming a more forward looking position. I firmly believe that if we will make up our minds to replace fear-psychology with confidence-psychology the results will fully justify such a new attitude.

BANKERS' ASSOCIATION STIMULATES ADVERTISING

The American Bankers Association's Advertising Department reports rapid progress of the use by banks of the informative bank newspaper advertising prepared by it for members to assist them in rebuilding public confidence and good will in their communities.

The central theme of this advertising service deals with the "essential line of economic and social service that all sound banking inherently renders the depositor and the public," the report says, showing that "it is not banking laws which make banking useful and safe, but that fundamentally it is honesty and skill in management under private initiative."

The Advertising Department is supplying about a thousand members of the association with newspaper and other advertising material. The newspaper material totals about 50,000 advertisements annually. The growth of the work of the department is shown by the following figures: On September 1, 1934, the number of banks being served regularly each month was 623. The total number on April 1, 1935, was 924, an increase of 301 regular subscribers, or 49 per cent in a period of seven months.

BOARDMAN NEWS

By RACHEL J. BARLOW

(Too late for last week.) Miss Norma Gibbons returned home Friday evening from near Iona where she has been teaching during the past year.

Judge and Mrs. Campbell of Heppner were Boardman visitors Friday and were dinner guests at the home of Mrs. Eva Warner. They brought Ferdinand Emberger back to Boardman with them. He has been ill in the Heppner hospital during the past week but is much better at this time.

Pendleton visitors Friday were Mr. and Mrs. L. V. Root, H. B. Thomas, Mrs. Wm. Lilly and son Bobby and Mrs. A. B. Shannon.

Mr. and Mrs. E. T. Ingles were guests at a lovely dinner Wednesday evening at the J. E. Barlow home.

The Alumni Association entertained the graduates and their parents, the school board, and the faculty at a dance and banquet Thursday evening following the graduation exercises. Dancing was enjoyed in the gymnasium after which lovely refreshments were served in the cafeteria which was prettily decorated for the occasion. Mr. Ingles acted as toastmaster.

Mrs. C. Wilson who has been under the doctor's care in La Grande returned home last week.

An interesting missionary meeting was held at the church last Wednesday afternoon with Mrs. Messenger in charge. The subject of the lesson was China, and after the meeting Chinese noodles were served.

A conference dinner was held at the church last Sunday following church services.

Charles Dillon motored to Portland last week taking down a truck load of wool.

Mrs. Ethel Feller was an honor guest at a bountiful birthday dinner given at the Aaron Agee home Sunday, May 19. Guests were Mr. and Mrs. Ernest Christopherson and family, Mrs. Ethel Feller and daughter Iva Mae, Hazel Ledbetter and Jim Agee of Iona, Mr. and Mrs. Lester Schaefer and daughter of Mikalo, Mr. and Mrs. Doyce Hubbell and family, Mr. and Mrs. Robert Gilliland, and Mrs. Claude Myers and daughters Wilma and Margaret. Guests at the George Blayden

On Sunday, other guests for dinner were Mr. and Mrs. J. F. Gorham and family and Mr. and Mrs. Frank Ackerman.

Mr. and Mrs. Wilson and son Jimmy and Charles Wicklander were visitors in Boardman Sunday.

Katherine, Helen and Paul Mead of Wallowa are guests this week at the Bryce Dillabough home.

A number of ladies visited Monday afternoon at the home of Mrs. Mike Cassidy. Refreshments of ice cream and cake were served late in the afternoon.

School closed here last Friday morning after having the Commencement exercises for the graduates on Thursday evening in the school auditorium. The following program was given: Golden Rule, Overture; Sorority, Waltz, orchestra; Processional, Navy Blue and Gold, orchestra; Invocation, Rev. H. B. Thomas; Selections by the Girls' Glee Club; Address of Welcome, Zella Carpenter; Presentation of Awards, Edwin Ingles; Presentation of class gift, John Healy; Piano solo, Mary Harney; Commencement address, Dr. S. B. L. Penrose, Jr.; Presentation of diplomas, Claude Myers; Address of Farewell, Delbert Mackan; Recessional, Teamwork, orchestra.

During the last week when final exams were given and picnics enjoyed, the editor and his associates were busy editing "Echoes of the Sage," the high school annual. This is the third year that the annual has been printed.

Friday afternoon the teachers finished their school work for the term and left for their respective homes. Miss Ruff went to Hillsboro, Miss Harney and Miss Burkholder to Portland, Mrs. Garber to Baker, Mr. Anderson to Heppner, Mrs. Nelson to The Dalles, and Saturday Mr. and Mrs. Ingles left for Portland.

Pursang Ideal Tonic for Skinny, Cranky Children Marvelous New Tonic Revitalizes the Blood and Energizes "Run Down" Systems If your children are skinny and underweight, cranky and whiny, maybe it is because they are anemic and run down. Growing up takes terrific energy. The wear and tear of the years weakens resistance. The blood gets thin. It no longer performs its proper functions. Toxins in it pour into the system. Is it any wonder that nine people out of ten feel "half sick" all the time? If your children look run down or you yourself feel below par, why not try the Pursang treatment for awhile? Pursang every day before or after meals. You mustn't expect instant results with Pursang, but it is the experience of many people that before the first bottle is exhausted they feel a material improvement in health. The eyes are clearer, there is a new sense of energy. None of that "all in," "let down" feeling by three o'clock in the afternoon. Pursang stimulates the body, builds rich, red, healthy blood corpuscles, helps to maintain the essential balance of white and red corpuscles and tones up the entire system. HERMISTON DRUG Co.
