ty, Oregon, and the mortgage which was recorded on page 231 of book 101 of the records of mortgages in the office of the County Recorder of Umatilla County, Oregon on the 16th day of April, 1932, both of which said mortgages were executed by defendants James J. Neary and Elsie A. Neary, his wife, upon the following described real property in Umatilla County, Oregon, to-wit:

Beginning at a point where the north line of Ridgeway Street of the Town of Hermiston intersects with the east line of the Southwest Quarter of the Northwest Quarter of Section Eleven, Township Four, North of Range twenty-eight, E. W. M., and running thence north along said east line of said Southwest Quarter of the Northwest Quarter a distance of 200 feet, thence at right angles westerly a distance of 180 feet, thence at right angles south a distance of 200 feet to the north line of Ridgeway Street, thence east a distance of 180 feet along the north line of Ridgeway Street

to the place of beginning in Hermiston, Umatilla County, Oregon, should be foreclosed and the said real property sold by the Sheriff of Umatilla County, Oregon to satisfy said judgment and all costs; therefore I will on Saturday, the 13th day of July, 1935 at 2 o'clock in the afternoon of that day, at the front door of the County Court House in the City of Pendleton, Umatilla County, Oregon sell all the right, title, interest and estate which the said defendants, and all persons claiming and to claim by, through or under them, or any of them, had on the 13th day of February, 1925, or since then have had, or now have, in and to the above described real property and every part thereof, at public auction to the highest bidder for cash in hand, the proceeds of such sale to be applied in satisfaction of said execution and all costs.

Dated this 13th day of June, 1935. R. E. GOAD, Sheriff of Umatilla County, Oregon. By J. A. Carney, Deputy. (June 13—July 11)

Accent on SAFETY

THE 1935 V-8 is the safest Ford car ever built. Safety glass is standard all around in every model, at no extra cost. Ford bodies are all-steel, welded. The Ford double channel X-type frame is low, rigid, strong. The new Ford brakes have greater surface per pound of car weight than any other car under \$1095. And the Ford brake requires 1/3 less foot pressure this year. Big 6x16-inch Air-balloon tires, Ford transverse springs, and Torque-tube Drive also guard your safety. They make for firm riding on bumps or juggy roads. And the responsive Ford V-8 engine, with its 25 horsepower, holds large reserves of power to draw you quickly away from possible dangers. This 1935 Ford V-8 accents comfort, beauty, and thrift, too. You are near a Ford dealer—go see him today. Get into this Ford V-8. See for yourself how much this car gives you.
