A CHALLENGE TO YOUNG PEOPLE GIVEN BY INSTITUTE.

During the past forty-five years, tens of thousands of young men and women of many nationalities and denominations have sought free training for Christian service at home or abroad offered by The Moody Bible Institute of Chicago.

The Bible ranks first in all Institute courses, but instruction is furnished in such subjects as Sunday School Administration, Daily Vacation Bible School, Gospel Music, Public Speaking, Home Economics, Hygiene, and Manual Training.

There are three terms a year, fall, winter, and summer, but students may enter at any time.

HEALTH ASSOCIATION PLANS PROGRAM FOR YEAR.

Representatives from Echo, Stanfield, Hermiston and Umatilla met at Hermiston and organized the western district of the Umatilla Health Association May 17.

The membership fee is 50c per year. Each school district is represented, and there will be a drive for memberships June 3 and 4.

All membership funds are to be used in local districts for such things as X-Ray, dental care, tonsillectomy and glasses for under-privileged children.

The first meeting will be held in Echo June 13, at 2:30 p. m., at the city hall. All are invited to attend.

Officers elected May 17 were Mrs. A. W. Christopherson of Hermiston, general chairman; Mrs. J. M. Richards of Stanfield, vice chairman; Miss Clara Corrick, Umatilla, treasurer; and Mrs. W. M. Marbut, Echo, secretary.

CHRISTIAN SCIENCE CHURCHES. "GOD the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 16.

The Golden Text was, "The Lord giveth wisdom: . . . He keepeth the paths of judgment, and preserveth the way of his saints" (Prov. 2:6, 8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will praise thee, O Lord, with my whole heart. . . . For thou hast maintained my right and my cause" (Ps. 9:1, 4).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "The facts of divine Science should be admitted, although the evidence as to these facts is not supported by evil, by matter, or by material sense, because the evidence that God and man coexist is fully sustained by spiritual sense. Man is, and forever has been, God's reflection. . . . The divine Mind that made man maintains His own image and likeness" (pp. 471, 151).
