Proud of City Water System.

The people of Hermiston should be proud of its domestic water system and the manner in which Mayor McKenzie and the members of the council and other city officials have unostentatiously delivered the goods during the years.

Cooperative Spirit.

Interest in rural electrification in our local community has been quite thoroughly aroused and the Farm Bureau and Granges are preparing to take an active part in the effort to supply electricity to the farm homes in western Umatilla and northern Morrow counties.

And the watermelon season is nearly over. Everybody has had a good time while this wonderful vegetable of the garden or fruit of the vine has provided its wonderful flavor, and incidentally, though important, a lot of dollars.

UMATILLA NEWS

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Welding

... the best way to make a perfect union of two pieces of metal is by welding them together.

... and the best way to get a more pleasing flavor and a better taste in a cigarette is by welding together the different types of tobacco ...

That is just what we do in making CHESTERFIELD Cigarettes—the three types of mild ripe home-grown tobaccos, that is tobaccos grown in this country, are welded together. Then they are welded with aromatic Turkish.

When these tobaccos are welded together you get a combined flavor which is entirely different from any one type of tobacco.

It is this welding of the right amounts of the right kind of tobaccos that makes CHESTERFIELD a milder and better-tasting cigarette.

Chesterfield... the cigarette that'S MILDER Chesterfield... the cigarette that TASTES BETTER
