We want to thank our many friends and patrons for their support and patronage during our six years in business here. We have sold our meat and groceries to Mr. and Mrs. Walter Smith of Pilot Rock, who are not strangers to many of you. I am sure you will enjoy doing business with them and support them. They will remodel the store and I am sure they will be able to take care of all your needs in the meat and grocery line.

We will be at home in our new location on the corner where Mr. Kingsley was for years, with shoes, dry goods, etc. When in need of anything in our line, come in. When in town, if there is nothing you need in our line, com in anyway, and make our store your headquarters. We enjoy your fellowship. Again many thanks, and—

A Happy New Year!
