CHRISTIAN SCIENCE CHURCHES

"GOD" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 5.

The Golden Text was, "Among the gods there is none like unto thee, O Lord; . . . For thou art great, and doest wondrous things: thou art God alone." (Ps. 86: 8, 10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And Moses said unto God, Behold, when I come unto the children of Israel, and shall say unto them, The God of your fathers hath sent me unto you; and they shall say to me, What is his name? what shall I say unto them? And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you" (Ex. 3: 13, 14).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man . . . God is what the Scriptures declare Him to be,—Life, Truth, Love. Spirit is divine Principle, and divine Principle is Love, and Love is Mind, and Mind is not both good and bad, for God is Mind; therefore there is in reality one Mind only, because there is one God" (p.330).
