GRAND OPENING OF HERMISTON TRADING COMPANY

PUBLIC INVITED TO INSPECT STORE—SATURDAY, JANUARY 25.

Numerous Demonstrations Will Be Given During Day; "Johnny Sunshine" Will Be There.

The grand opening of the Hermiston Trading company grocery store will be held Saturday, January 25, and the general public is invited to inspect one of the most modern stores in eastern Oregon. Numerous displays will be shown, and demonstrations will be given continuously during the day.

Since taking over the store the first of January, Mr. and Mrs. Walter Smith have completely renovated the interior of the building, making it modern in every detail. They purchased the grocery and meat department of the J. S. Burnham store and Mr. Burnham moved his clothing merchandise across the street into the Masonic building.

Merchandise of all kinds will be demonstrated, including a special by "Johnny Sunshine," that smiling salesman wearing his white coat, as he demonstrates Sunshine cookies and crackers.

Wadham's coffee will be served as a beverage, Nalley's products and Walla hams will be served in delicious sandwiches throughout the day.

Every member of the family should visit this new store Saturday and get acquainted with the managers and the merchandise they keep in stock. Mr. and Mrs. Smith guarantee you a welcome any time during the day.

Farm Bureau Auxiliary Meets.

The Ladies Auxiliary to the Umatilla Project Farm Bureau will hold its next meeting Friday, February 7, in the Hermiston Union church. Mesdames C. A. Lynch, Jess Prindle, N. W. Bloom and Arletta White will serve on the committee as hostesses. An interesting program is being planned and all members are urged to be present.
