

Special Notice!

On Sunday, January 26th, 1936, between hours of 8:00 A. M. and 12:00 o'clock noon, we will endeavor to carry load on our plant while repairs are being made to line between Hermiston and Sub-station.

In order to furnish emergency service from our plant during period mentioned above, it will be necessary for our customers to co-operate by keeping motors, ranges and water heaters disconnected. Otherwise we will be forced to disconnect one or more towns.
