A series of articles on poultry raising in the Hermiston territory started this week in the Herald in the hope that it will aid in promoting the industry which is considered a major one on the project because of the ideal soil conditions and warm sunshine.

These articles will deal with individual poultry raisers and are not intended to flaunt the vanities of the individual but to play up the problems which he faces in his experience which may be of benefit to another person new in the business. Each individual poultry raiser will deal with the problem in a different way and it is our desire to present it as he sees it.

An egg packing plant is one of the great needs here in Hermiston at the present time which would greatly aid in increasing the number of laying hens on the project by furnishing a more efficient and economic means of disposing of eggs.

It is our wish that every person who is new in the business of raising chickens will not only read these articles but will visit these producers and inspect their plants and ask questions. What works for one producer may not work for another but the combination of ideas may be just what you want.

CHRISTIAN SCIENCE CHURCHES

"DOCTRINE OF ATONEMENT" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 19.

The Golden Text was, "The preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God" (1 Cor. 1:18).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Cor. 5:17, 18).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The atonement of Christ reconciles man to God, not God to man; for the divine Principle of Christ is God, and how can God propitiate Himself? Christ is Truth, which reaches no higher than itself. The fountain can rise no higher than its source. Christ, Truth, could conciliate no nature above his own, derived from the eternal Love. It was therefore Christ's purpose to reconcile man to God, not God to man" (p. 18, 19).

State C. E. Convention.
Thousands of young people are attending the state Christian Endeavor convention this week end at Eugene, Ore., the home of the University of Oregon. Last year at The Dalles the registration exceeded all previous years and it is anticipated that there will be more in attendance at Eugene. Delegates from the Hermiston Union church C. E. society who will attend include Margaret Clarke, Virginia Dyer, Pauline Stoop, Mrs. Chas. Duvall and Clarence Buhmann.

BUILDING ACTIVITIES CONTINUE ON PROJECTS THIS SPRING.

Building activities in the Hermiston and surrounding districts which have been extensive all spring are continuing. Work which was started several weeks ago on the John Spencer residence at Stanfield has been completed and the result is an attractive five room house, with basement. Leo Root, postmaster at Boardman, is building a home estimated to cost \$1000 on which work is going forward.

A. H. Norton of Hermiston is constructing a garage on his place on Gladys avenue. N. P. Casady who lives on the Butter Creek highway has constructed a brooder house, 20x50, and expects to get 800 poults soon. This is Mr. Casady's first attempt at raising turkeys.

Mrs. Hauke of Boardman is constructing a 14x20 chicken house and the work is being done by Lee Elwood of Hermiston. Chester Flannigan is doing some construction work on his place west of town. He is an extensive turkey raiser.

A full length screen porch has just been completed on the east side of the H. B. Darling home on the Butter Creek highway.

E. C. Harris has just completed a fine brooder house for turkeys with a splendid hot water system installed. Mr. Harris lives in the Minnehaha district and the building is said to be one of the best in that section.

A second brooder house with a capacity for 1000 poults is being constructed by L. C. Todd on his farm east of town. The hot water heating system is being installed in the new house, but the original brooder house is heated by the underground system. The Todds expect about 2000 turkey poults about the first of May.

MOTHERS' DAY CELEBRATION PLANNED AT U. OF O. CAMPUS.

Mothers of University of Oregon students in and near Hermiston will soon receive warm, personal invitations from sons and daughters to be present on the Eugene campus, May 8, 9 and 10, for what is expected to be the most outstanding Mother's Day celebration in the history of the university, according to word reaching here.

Plans for the various events of the week end, which will also be the traditional Junior week end on the campus, are already nearing completion, it is announced. The first affair will be held on Friday, May 8, when the Associated Women students and the Y.W.C.A. will sponsor a tea in the afternoon in Gerlinger Hall. A reception, sponsored by the Eugene Mothers' club and the faculty women's club, will be held from 8 to 11 p. m. in Gerlinger Hall. Mothers may also attend the Junior Prom, where a special section of seats will be reserved.

JUNIOR-SENIOR ACTIVITY WEEK BEING PLANNED.

The annual Junior-Senior athletic week will be held May 18th until May 22nd, inclusive. The freshmen will lend their talents and powers to the seniors while the sophomores help the juniors. This promises to be equally as exciting as the athletic week last spring, and this year the sides are much more evenly matched.

The contest will be about the same as last year, although basketball will be added to the list of athletics, instead of baseball. The different events now include baseball, basketball, the tug of war, and water fights. The winners of the contest will, as usual, be entitled to paint their number on the Butter Creek highway.

SCHOOL NOTES

The Bulldogs won another victory over Umatilla, April 16, scoring 15 runs to Umatilla's 9.

Post Graduates—Florence Lewis and Edna Turnblad.

ADDITIONAL LOCALS

May Wurster of Umatilla underwent an operation for appendicitis Tuesday at the Hermiston General hospital. She is getting along nicely.

Mr. and Mrs. Alton Hooker are the parents of a daughter born Tuesday, April 21. She has been named Lucile Arlene and is their fourth child.

Dr. J. P. Stewart, eye-sight specialist of Pendleton, will be at the Hermiston Hotel on Wednesday, April 29th. Hours 1:00 to 5:00 p. m.

Mr. and Mrs. J. V. Villermour, formerly of Stanfield, are now making their home here in the house recently remodeled by W. W. Felthouse. It is located opposite the Seventh Day Adventist church.

Mrs. Alma Hitt spent Sunday visiting friends and relatives in Pendleton.

Guests at the O. C. Pierce home Sunday included Mr. and Mrs. Ross Traylor and family, Mr. and Mrs. Raymond Elliott and Mr. and Mrs. Jack Coleman, all of Pendleton. The group enjoyed dinner on the back lawn at the Pierce home and later motored to the river for a pleasant hour.

Everett J. King, republican candidate for county commissioner, was calling on voters in Hermiston Wednesday of this week. Mr. King has lived in Umatilla county for 45 years, and was born in Weston, Ore. He has farmed in the Helix district for 28 years.

Mrs. James Kramer, Mrs. Geo. Carnes, Mrs. Nelson Murray, Mrs. Chas. Mikles, Jr., all of Pilot Rock, and Mrs. Rex Kramer and son Junior from Los Angeles, Calif., were all day visitors at the W. R. Struthers home in Columbia district Monday of this week.

Mrs. Barbara Stephens returned Sunday from an extended visit to Weiser, Idaho. Her son and wife, Mr. and Mrs. Leslie Sinden of La Grande, brought her from La Grande Sunday and spent the day here. Mrs. Stephens is visiting her daughter and son-in-law, Mr. and Mrs. O. O. Felthouse.

PROPOSED AMENDMENTS ARE PASSED AT S. B. MEETING.

(From the Bulldog)
The following report is by Norma Blahm, a new student.

This meeting was called to order by President Bill Jackson. The minutes for the previous meeting were read and approved. The purpose of the meeting was for the students to vote upon the two proposed amendments to the constitution of the Associated Student Body, which were presented to the students at a former meeting and posted on the bulletin board in the hall, for examination.

Guy Jeppe moved that "to every athlete who has earned 125 points toward his letter, the Student Body shall present a two inch H. H. S. shield. Only one such shield may be earned by any one individual during his or her high school career." The amendment was seconded and carried. Harold Throop then moved to amend the constitution by including in Article III, Section II, the names of Boys' Athletic Manager and Girls' Athletic Manager with duties consisting of the following: (1) Assist in accommodating visiting team members; (2) Assist in taking care of the checking of

Article VI, Section II, Clause VII, provides that the Boys' Athletic Manager shall receive one athletic manager's letter for satisfactory completion of one year's work. Article VI, Section II, Clause VIII, provides that the Girls' Athletic Manager shall receive one athletic manager's letter for satisfactory completion of one year's work. The motion was seconded and carried. The meeting was then adjourned.

KARLOFF AND LUGOSI TOGETHER AGAIN.

More than any other screen stars, Karloff and Bela Lugosi are so indelibly associated with certain characters that Karloff has been nicknamed "Frankenstein" and Lugosi "Dracula." Both these players came to the Oasis theatre on Friday and Saturday as co-stars in "The Invisible Ray," the thrilling Universal drama of a man who drew power from the Heavens in his world-shaking invention, "Radium X," and wielded his power for good and for evil. Frances Drake and Frank Lawton support the stars.

ZANE GREY STORY COMES TO SCREEN.

Zane Grey, whose Western tales entertain young and old with their thrilling action, is the author of "Drift Fence," which will be at the Oasis theatre Wednesday and Thursday. Featured in this outdoor drama are Larry "Buster" Crabbe, Katherine DeMille and Tom Keene. Arizona of the cattle-rustling, law-defying days is the setting of "Drift Fence," which concerns the adventures of a Texas Ranger in pursuit of a gang of desperadoes who have been stealing cattle in droves, and who resist all efforts of a big rancher to enclose his vast property.

STATE CAPITAL NEWS LETTER.

Three thousand officers and men of the Oregon National Guard will go into training at Camp Clatsop June 15 for the annual two weeks' encampment, according to announcement by Major General George A.

White. The camp will end June 30.

Governor Martin has directed Wallace S. Wharton, his executive secretary to make an "efficiency" survey of telephone needs of state departments and institutions with a view to a material reduction in the state's \$85,000-a-year telephone bill. The telephone company has promised the assistance of one of their experts in making the survey.

HERMISTON DEFEATS UMATILLA FOR THE SECOND TIME.

The Hermiston Bulldogs sunk the Umatilla Vikings the second time when they met Umatilla there Thursday last. The game ended with the score standing at 15 to 9 in Hermiston's favor.

The Bulldogs lost control of the game in only one inning. Umatilla opened up with three runs in the first inning and fanned three Hermiston club swingers. The second inning, however, was a different story. Hermiston scored eight runs and then proceeded to hold Umatilla scoreless until the seventh inning, thus making four victories and no defeats for Hal Hatton's Bulldogs this season.
