only 15¢ a day buys a Kelvinator

We find we don't need to say much to people who come in to make an actual inspection of the new Kelvinator.

For here is value you can see for yourself. Imagine *Visible Cold*. Yet that's what Kelvinator offers you with its unique Built-in Thermometer. No more guessing about cabinet temperatures. No chance of unexpected refrigeration failures. Food stored in Kelvinator is safe.

Imagine *Visible Economy*. Kelvinator offers it in a written Certificate of Low Cost of Operation that tells you in advance that your current consumption will be low.

Imagine *Visible Protection*—a signed assurance of dependability, the manufacturer's Five-Year Protection Plan.

But these aren't all that will catch your eye. You'll be delighted to note the many Kelvinator features, like flexible grids in all ice trays in standard models, automatic defrosting switch, easy accessibility to every square inch of storage space.

And above all, a joy to behold for all-over beauty. You'll be thrilled to own the new Kelvinator, proud to show it off to your friends. And you can own it so easily—pay for it at the rate of only 15¢ a day! Drop in and examine the new Kelvinator today.
