A CHILD'S LIE MARS
THREE HUMAN LIVES

How one vicious lie almost wrecked the lives of three innocent people is the powerful dramatic theme of "These Three," Samuel Goldwyn's latest production which brings Miriam Hopkins, Merle Oberon and Joel McCrea to the Oasis theatre Sunday and Monday.

The story of the Lillian Hellman screen play is laid in a small girls' school which Martha Doble (Miriam Hopkins) and Karen Wright (Merle Oberon) establish with the aid of Joe Cardin, a young local doctor (Joel McCrea), whom both love.

A NEW STANDARD OIL PRODUCT

RPM

MOTOR OIL *unsurpassed*

To safeguard the Automotive Industry's new Super R.P.M.* Motor Car Values, Standard Oil Company of California presents RPM Motor Oil Unsurpassed

*Revolutions Per Minute.

THIS fine new oil was bound to come! We want you to try it. We've called it "R P M"—because it is the motor-oil answer to all the new lubrication problems created by Super R. P. M. (Revolutions per Minute) in the newest cars.

— Before We Mention Price!

Imagine assembling in one oil the finest characteristics found in a study of 146 varieties of crude oils from all over the world.

That is what happened. And so "R P M"—a truly luxury product—brings to you all these virtues: complete protection, clean engine, high mileage, quick starting, low carbon formation.

What the New Car Demands

The thrilling improvements in new-car performance have caused the whole Petroleum Industry to study the new necessities for fine lubrication. Increased Revolutions per Minute, increased temperatures, increased bearing pressures—finer clearances, quicker starting—and a dozen other major problems are solved only by producing a remarkably fine oil, such as "R P M"—and every car owner gets the benefit.

You Save Money Besides

R P M Motor Oil is the companion product to the Automotive Industry's magnificent accomplishment in providing super motor car performance for less cost per horsepower.

Made by a new refining process, it passes along to you every economy in manufacture.

No motor oil at any price can give you more and better lubrication.
