LEGION AUXILIARY NOTES

Hermiston Unit No. 37 met Thursday, June 25, at the Legion hall and held the annual election of officers. Officers elected for 1936-37 were as follows:

The matter of entering a float in the 4th of July parade was discussed and it was decided that the Unit should cooperate with the Legion in whatever type of entry the latter saw fit to make.

Social hour followed the business meeting with Mrs. B. S. Kingsley and Mrs. G. W. Ripley as hostesses.

MARYHILL CASTLE SOON TO BE MUSEUM.

VANCOUVER, Wn., June 15 (Special)—The dream of the late, great Samuel Hill is about to come true. His Maryhill castle, which has stood as an empty but impressive monument to his ideals for 22 years, is to come to life as the museum which he intended.

His vast estate finally has been definitely settled and half of his fortune placed in the hands of a board of distinguished trustees of which Zollo O. Brooks of Goldendale is secretary-treasurer.

The board has secured the services of James Duncan, superintendent of city parks of Spokane, to begin the job of laying out extensive formal gardens to provide a frame for the picture of the mighty museum building, which towers beside the Evergreen highway, 15 miles west of Goldendale.

Architects are now at work on plans for completion of the interior of the building, which is now empty and barren. The board will meet again within the month to award contracts and work will begin at once. It will be next spring before the job can be completed and the museum stocked, Brooks expects.—The Oregonian.

The immediate cause of his death was from heart disease. Funeral services were held in Boardman Tuesday afternoon at 2:00 o'clock, with Rev. H. B. Thomas conducting the service.
