**Humid-A-Kold**  
Air Conditioned Electric Refrigeration  
by MONARCH

The MONARCH "Humid-A-Kold" series of modern electric refrigerators offers the latest development in domestic refrigeration. Air circulation, which automatically maintains the necessary moisture in storage compartment prevents dehydration of foods. Covered containers for all foods are not necessary. Foods keep fresh and wholesome and do not dry out or absorb strong flavors.

The "D" Series of MONARCHS, incorporating this feature, is designed to meet every home requirement. A variety of sizes offers optional food storage space, as well as freezing capacity. The exteriors are modern in design, finished in beautiful White or Ivory-Tan Dulux, trimmed with attractive Chrome hardware and modern black bases. Interiors are porcelain enamel.
