The Curse of Progress

What a Difference
The small girl's grandmother had just returned from the hairdresser's and was proudly exhibiting her new shingle.
"Oh, granny!" gasped the child, "you don't look like an old lady any more."
"Don't I, darling?" smiled granny, preening herself in the mirror.
"No," went on the child, "you look more like an old man!"—Birmingham Post.

Surprise
An English comedian, who prided himself upon his ability to speak the Scottish dialect like a native, was invited to dinner party by an Edinburgh man. During the evening the comedian told some stories in his best Scots accent and then, thinking to spring a surprise on the party, he said to his host: "What part of Scotland would you say I come from?"
The host looked dubious. "Penance?" he asked.

REDUCE PERIODIC PAIN

A periodic disturbance is natural, possibly essential; but gripping, nerve-racking, piercing, throbbing pain is not. Nor is it natural, essential or even safe to allow the regular ravages of pain to go unattended.

SALICON can relieve you, reduce the stabbing, devastating pain, steady your nerves, and thus protect your health.

When the pain begins, take two SALICON tablets and repeat if necessary. SALICON is quickly effective, forms no habit, and is convenient to carry around.

Ask your druggist for SALICON.
