Curse of Progress

Tender Hat Wanted
A man walked reluctantly into a hat shop, says Ireland's Own, of Dublin.
"I've just lost a bet," he said, "and I want to buy a soft hat."
"This is the softest we have," said the assistant.
The customer gazed at it speculatively.
"What I want," he said wistfully, "is something a little more tender; I've got to eat it."
Strange
Wife—There's a strange hair on your coat lapel, you worm!
Hubby—Now, darling, that's a hair from our dog. It isn't a woman's hair, honestly.
Wife— I know. That's what's strange about it.
Sit Down
Teacher— Johnny, can you define nonsense?
Johnny— Yes, teacher— an elephant hanging over a cliff with his tail tied to a daisy.

Our Desires
As for a little more money and a little more time, why, it's ten to one if either one or the other would make you a whit happier. —B. Franklin.

Why Laxatives Fail In Stubborn Constipation

Twelve to 24 hours is too long to wait when relief from clogged bowels and constipation is needed, for then enormous quantities of bacteria accumulate, causing GAS, indigestion and many restless, sleepless nights.

If you want REAL, QUICK RELIEF, take a liquid compound such as Adierika. Adierika contains EVEN cathartic and carminative ingredients that act on the stomach and BOTH bowels. Most "overnight" laxatives contain one ingredient that acts on the lower bowel only.

Adierika's DOUBLE ACTION gives your system a thorough cleansing, bringing out old poisonous waste matter that may have caused GAS pains, sour stomach, headaches and sleepless nights for months.

Adierika relieves stomach GAS at once and usually removes bowel congestion in less than two hours. No waiting for overnight results. This famous treatment has been recommended by many doctors and druggists for 35 years. Take Adierika one-half hour before breakfast or one hour before bedtime and in a short while you will feel marvellously refreshed. Leading Druggists.
