Thirty Years

For 30 years this bank has been identified with the project movement.

It was one of the few banks in eastern Oregon which did not feel any effect from the troubles of 1929.

The bank is known far and wide for good management and sound condition.

VOTE FOR RALEY PETERSON [A Roosevelt Democrat] Nominated for District Attorney

He was born and raised in Umatilla County; is 30 years old; has been admitted to the bar four years. If elected, he will do his duty faithfully and honestly without any regard to politics. He will diligently work with the sheriff's office and the police officers in law enforcement. He will confer and advise with all county officials in regard to the transaction of official business, and will conduct the office with the least expense possible to the taxpayers.

The wealthy and the poor will have the same careful consideration in all matters coming before this office.

He favors old age pensions. He will advise the County Court to be liberal in caring for infirm and helpless persons, poor widows with little children and deserted mothers with little children.

The church people, and the law-abiding people generally, must have the active co-operation of the District Attorney in law enforcement, in combating crime, and in creating wholesome public morality.

Elect Mr. Peterson. Give him a chance to fulfill the duties of the office. He will greatly appreciate each vote cast for him.

Stop TAX RAIDS ON YOUR HOME OR FARM

Year after year more taxes are piled on your home!

Will your home be next? Tax delinquency in Oregon is now \$46,510,724.53!

So long as you remain silent, the burden you are forced to bear will increase. When you cannot pay, the tax raiders will grab your property. Thousands of parcels have already been taken and today one out of every three homes and farms is liable to confiscation. This tax raid on property must be stopped NOW!

Desirable settlers shun Oregon

Oregon's future is at stake! The west is now a mecca for great numbers of home seekers. They refuse to settle in a state that endangers property owners with unlimited taxation on real and personal property. Oregon will be out of the race for the growth and prosperity now open to western states, unless she offers the protection these settlers demand and can have now, elsewhere.

● The Tax Limitation Bill is your way to rightfully limit the increase in taxes that can be made against your home or farm without your approval. It is up to YOU!

It's time to call a halt!
