SECOND TURKEY POOL SHIPMENT

The second turkey pool shipment for the fall market made through the Eastern Oregon Turkey Growers' association will be made November 15th and 16th. Birds will be brought to the growers' warehouse in Hermiston. Receiving is necessary on Sunday in order to reach the markets in time for the Thanksgiving trade.

Growers are cautioned not to kill birds before they are mature since there will be another shipment November 30th and December 1st. Also another shipment two weeks later. This will make three shipments before Christmas.

The largest volume is usually received the first day and growers are urged to be prompt and on schedule. If this is carried out receiving will be done only one day and a half.

A total of 1601 dressed turkeys totaling 22,546 pounds, were shipped through an early pool held in October. The volume of these birds were shipped by New Maden and flock of the DeMoss flock of 2700 birds. These were the only early birds raised on the project.

E. O. WHEAT LEAGUE MEETING SET

The ninth annual meeting of the Eastern Oregon Wheat League will be held at Heppner, December 4 and 5. C. W. Smith, assistant state county agent leader and secretary of the League, has just announced.

Officers of five committees have already been appointed by President E. H. Miller of Lexington and the executive committee. The remainder of the membership of these five important groups will be selected in the near future by the county executive committees elected at last year's meeting, says Mr. Smith. Supper was served at 6 o'clock and dancing continued until 9 o'clock, when grange reconvened and a class of candidates was given the 5th degree. Election of officers followed and those elected were: Worthy Master, Claude J. Hanscom; Overseer, D. F. Depperman; Lecturer, Mabel Richards; Steward, Floyd Laird; Assistant Steward, Joe Dupuis; Chaplain, Sarah Meengs; Treasurer, Fern Geinger; Secretary, Bertha Hanscom; Gate Keeper, Earl Kirkpatrick; Ceres, Ethel Michael; Pomona, Jesse Owen; Flora, Mrs. M. V. Witty; Lady Assistant Steward, Eleanor McCulley; Executive Committee, John Crow, James Mossie, Jesse Richards. Guests for Pomona were Chas. Wicklander, state district deputy, and Minnie McFarland, Master of Morrow county Pomona.

The following resolutions were passed by the grange:

No. 2
Whereas: The Oregon State Grange has organized a cooperative buying agency for the benefit of its members, and Whereas; in limiting its benefits to Grange members only it has followed a policy that is as old as the Grange itself, and Whereas; any change in this policy must come from the Grange membership itself, and, whereas; this policy is the exact reverse of the most successful cooperatives in the world.

Therefore; Be it Resolved, that it is the sentiment of the Umatilla County Pomona Grange, assembled on the 5th day of November, 1936, at Hermiston, Oregon, that this buying cooperative should be sponsored as part of a great National movement, rather than as a means of advantage to granges alone, and that a copy of this resolution be sent to the Oregon State Grange.

Recommended for adoption.

No. 3
Whereas, the Federal law covering the Bank for Co-operatives is too limited in its application to consumer co-operatives in that under this law no loans can be made to co-operatives with a shifting inventory as security, and

Whereas, such loans when made are restricted to items which are peculiar to farm needs, as for example farm machinery and commercial fertilizers, to the exclusion of all other items which are used by the farmer.

Therefore, be it resolved, that the Umatilla Pomona Grange assembled at Hermiston, Oregon, this 5th day of November, 1936, go on record as recommending that this law be amended in some manner to allow loans to be made to such co-operatives, and that copies of this resolution be sent to our Senators and Representatives and to the Oregon State Grange.

Recommended for adoption.

CO-OP GLEANINGS

By E. H. Dunning.

WALLA WALLA, Wn.—Ten new cooperative associations handling gas and oil and general farm supplies have been organized in Southern Idaho since March 1. The new co-ops were organized with the support of farm membership organizations and the advice and assistance of representatives of Pacific Supply Cooperative, wholesale cooperative association with headquarters in Walla Walla.

The local cooperative associations are in Weiser, Payette, Emmett, Mountain Home, American Falls, Rupert, Burley, Pocatello, Idaho Falls, Menan, Rigby, and Preston. Eighteen additional cooperative associations affiliated with Pacific Supply Cooperative were already in operation in the state.

Pacific Supply Cooperative was organized two years ago. From 12 original members it has grown to include 65 local member associations in Oregon, Washington and Idaho. More than 16,000 individuals are members of co-ops affiliated with the organization.

In spite of a bitter price war that prevailed for a substantial part of the spring, the cooperatives' volume of business increased 40% in gasoline and 50% in lubricating oil with corresponding gains in other lines. The co-op reported a total wholesale business of \$1,376,560 in 1935.

RED CROSS AID TO MORE THAN 500,000 DISASTER VICTIMS

Large Urban Areas Devastated As Elements Hit 20 States East of Mississippi

"The number of disaster victims assisted by the Red Cross during the fiscal year ended June 30, was more than four times the number aided in the previous twelve month period," Admiral Cary T. Grayson, chairman, said in commenting on highlights of the annual report just issued. "Over 131,000 families were given food, clothing, shelter and medical care, and thousands of homes were rebuilt or repaired by the Red Cross to enable them to carry on."

Pointing to the many-sided problems created by the wide variety of types of disasters which occurred during the year, Admiral Grayson said, "The Red Cross sent hundreds of trained workers into 29 states to meet the many exigencies of catastrophes which included earthquakes, epidemic, explosion, fire, hurricane, ice lock, landslide, refugee relief, shipwreck, tornado and typhoon. The Red Cross took charge at the scenes of 105 domestic disasters of major severity."

The report emphasized the marked value of Government-Red Cross cooperation when disaster strikes, giving as example the flight of Army bombing planes which dropped Red Cross food to marooned refugees at Renovo, Pennsylvania, during the Spring floods. More than 10,000 persons were rescued from the second floors of homes in Wilkes-Barre and Kingston through Coast Guard-Red Cross cooperation at the height of these same floods.

"Government agencies and relief groups were of invaluable assistance to Red Cross relief forces at all times," Admiral Grayson stated.

The complete resources of Red Cross leadership, training and disaster experience were brought into play by the Spring floods and tornadoes which took so heavy a toll of life and property in eastern and southern states. This year, the annual report reveals. The Red Cross aided 77,000 families

in 14 flooded states east of the Mississippi and 6,000 families in 6 tornado hit states south of the Mason-Dixon line in this one operation.

"Never before have as many metropolitan centers borne the brunt of attack by wind and water within a single year, challenging Red Cross preparedness and efficiency by so wide a variety of pressing human problems," Chairman Grayson said.

In its work of relief to disaster sufferers the Red Cross expended in excess of \$5,200,000 for the year. The report points out that this figure does not include assistance given in 27 lesser disasters with a total of 2,000 persons aided, and adds that additional millions will be used to "clean up" Spring floods and tornadoes.

"Numerous local disaster situations occurring during the year were met by Red Cross chapter funds and manpower," Admiral Grayson said. "In each major relief operation undertaken the great army of Red Cross volunteers aided trained workers with the task of rehabilitating those without resources who had suffered losses."

"The Red Cross disaster relief service is one of many Red Cross activities supported by the American people through membership at the time of Roll Call, held each year from Armistice Day to Thanksgiving."
