Not on Relief

The banker was questioning the Negro applicant for a chauffeur's job. "Are you married?" the banker asked. "Nawsah, boss," replied the applicant. "Nawsah; Ah makes mah own livin'."

Just in Time
"Ye-es," hesitate, the bridegroom. "these cakes are pretty good, but don't you think there ought to be more—" "Your mother made them," interrupted the bride, quickly. "—of them?" ended he.—Guelph Mercury.

Utilitarian
"Why do you make fun of hoss and buggy days?" "I don't," answered Senator Sorghum. "But after getting by an automobile and losing my salary at the races I can't help wishing the plain old hosses and buggies could have stayed hitched up together."

HOW OFTEN CAN YOU KISS AND MAKE UP?

NEW husbands can understand why a wife should turn from a pleasant companion into a snore for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. If you're wise and if you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three or four years of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."
Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."
