

Street Cleaning Truck Can Battle Poison Gas

The latest development in military defense against gas attack makes use of the ordinarily un-war-like street cleaning truck. An auxiliary apparatus, attached to the truck, throws out jets of water to disperse poison gas in the air, and also sends out fan shaped sprays of water to cleanse walls and roofs which have been contaminated by poison gas. A demonstration of the new equipment is shown in London with the "crew" of the truck clad in gas proof clothing, complete with mask.
