### Simple Crochet Can Be Family Heirloom

Pattern 5658

A bedspread, indeed, to call forth "Oh's" and "Ah's" is this one, crocheted from humble string. See not one, but two charming patterns, one a basket, the other floral, are included in pattern 5658. One is as easy to learn as the other; when combined they make any number of useful linens—tea cloth, scarf, buffet set or pillow. In pattern 5658 you will find complete instructions for making the square shown; an illustration of it, of the stitches needed; material requirements.

To obtain this pattern send 15 cents in stamps or coins (coins preferred) to The Sewing Circle Household Arts Dept., 259 West Fourteenth St., New York, N. Y. Be sure to write plainly your name, address and pattern number.

### The Living Truth

WE DO not need to defend the truth. Truth is its own defense. Not many years ago merchants and bankers, when they left their places of business, turned off the lights and put up great heavy shutters. Today they pull aside the blinds and turn on a strong light. The greatest protection the truth of God can have is to expose it so that everyone may see what it does. Let us give up trying to guard our faith. It is better far to live it.
