The Curse of Progress

Gob Humor
 "Did you give your wife that little lecture on economy you talked about?"
 "Yes."
 "Any results?"
 "Yes—I've got to give up smoking cigars."—U. S. S. Reina Mercedes Galleon.

One After Another
 Owner—Here, what are you doing? Don't you know you're not allowed to take fish out of this water?
 Angler (three hours without a catch)—I'm not taking them out. I'm feeding them! — Kansas City Railwayman.

Passing Acquaintance
 He sprinted valiantly, but failed to catch the train. As he walked back, mopping his streaming brow, a bystander spoke up sympathetically: "Miss the train?"
 The erstwhile sprinter shook his head. "Not much," he replied, wearily. "After all, I never got very chummy with it."

These Cuddle Toys Solve Gift Problems

Pattern No. 5609

"Eenie, Meenie, Minie, Mo"—It's hard to decide which to make—but why make just one, why not all! Delightful cuddle toys, these, and just the soft, warm playthings for a baby's arms. There's nothing to the making of them, for each is composed of but two pieces, with the exception of the bear, whose jacket is extra, and the chick, whose flapping wings are separate. Your gayest cotton scraps can go into the making of these winning gifts. In pattern 5609 you will find a transfer pattern for the four animals; instructions for making them; material requirements.

To obtain this pattern send 15 cents in stamps or coins (coins preferred) to The Sewing Circle Household Arts Dept., 259 West Fourteenth St., New York, N. Y. Write plainly pattern number, your name and address.

Where Columbus Landed

For many years there has been a controversy in Cuba as to the exact place on the island where Christopher Columbus first touched land. The date has long been acknowledged to be October 28, 1492, and quite recently research engineers have proved to the satisfaction of the Cuban authorities that the actual place of landing was the present location of the village of Gibara, in Oriente province.

From a MEDICAL JOURNAL THIS: ABOUT COLDS!

"The researches (of these doctors) led them to believe that colds result from an acid condition of the body. To overcome this they prescribe various alkalies." That's why, today...

 NOW CONTAIN AN **ALKALINE FACTOR**

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood
YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.
 Then you may suffer nagging back-ache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.
 Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

DOAN'S PILLS

WNU-13 50-36

DOLLARS & HEALTH

The successful person is a healthy person. Don't let yourself be handicapped by sick headaches, a sluggish condition, stomach "nerves" and other dangerous signs of over-acidity.

MILNESIA FOR HEALTH

Milnesia, the original milk of magnesia in wafer form, neutralizes stomach acids, gives quick, pleasant elimination. Each wafer equals 4 teaspoonfuls milk of magnesia. Tasty, too. 20c, 35c & 60c everywhere.
