It is urged that the people of the entire region take example from the the Rod and Gun club in the humane effort to save the life of our game fowls and numerous other birds.

February is almost here and the snows are deep over all the watershed areas of our own stream, the Umatilla.

to such conditions to prepare for the day which we hope will not arrive.

Oh for a sleigh pulled by horses and the tinkle of sleigh bells resounding to the yellow moon above as it obligingly adds atmosphere, has been the wish of many a maiden while the white snow covers the ground.

We appeal now to you—whoever has sleigh bells—in the name of all the tradition and sleigh bells, that you get them to Baxter Hutchison who is responsible for all this, that he may replace the bell about the neck of the rightful wearer, the cow.

A New Yorker, who has never seen a sleigh was visiting in Hermiston that day, and Baxter took her for a sleigh ride—but who can blame her, when she knew not the difference in the tinkle of sleigh bells from the gong of a cow bell.

CHRISTIAN SCIENCE CHURCHES

"TRUTH" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Jan. 24.

The Golden Text was, "The Lord is good; his mercy is everlasting; and his truth endureth to all generations" (Ps. 100: 5).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "... Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (Deut. 32: 3, 4).
