The Curse of Progress

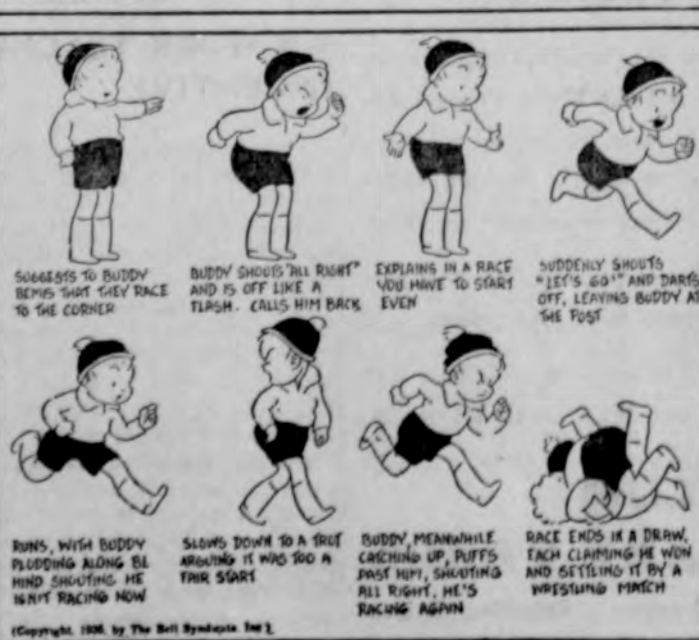

Theatrical
The class in public speaking was to give pantomimes that afternoon. One frosh got up when called on, went to the platform and stood perfectly still.
"Well," said the prof. after a minute's wait for something to happen. "What do you represent?"
"I'm imitating a man going up in an elevator."— Illinois Guardsman.

Conscience Hurts
Two men were seated in a crowded railroad car. One noticing that the other had his eyes closed, said: "Bill, are yer feelin' well?"
"I'm all right," said Bill, "but I do hate to see ladies standing."

She Knows
"Mummy, why must the orchestra eat in the interval?"
"I don't know what they do. Why do you ask?"
"Cos the program says that the second half of the concert will be played by a fuller orchestra."

THE RACE

By GLUYAS WILLIAMS

The Thinker Is the Real Ruler of World

Behind the invention there is the inventor; behind every discovery there is the pioneer; and behind each new thought there is the thinker.

The thinker is thus the real ruler of the world. He initiates new ideas, he is behind each great advance that is made, and really it is he who determines the line along which mankind is destined to advance. The thinkers are the world's real leaders; can we not as well say that they are the world's real rulers? The pen is mightier than the sword!—Rev. E. Neville Martin, M. A.

Quickest Way to Ease a COLD

The modern way to ease a cold is this: Two Bayer Aspirin tablets the moment you feel a cold coming on. Repeat, if necessary, in two hours. If you also have a sore throat as a result of the cold, dissolve 3 Bayer tablets in 1/4 glass of water and gargle with this twice. The Bayer Aspirin you take internally will act to combat fever, aches, pains which usually accompany a cold. The gargle will provide almost instant relief from soreness and rawness of your throat. Your doctor, we feel sure, will approve this modern way. Ask your druggist for genuine Bayer Aspirin by its full name— not by the name "aspirin" alone.

Quiet Dignity
Quiet dignity is a hard task; some people want to talk.

ARE YOU MISERABLE?

Mrs. Tilly Lowe of 1115 N. 9th St., Portland, Idaho, said: "Dr. Pierce's Favorite Prescription is an excellent tonic for women. After my last child came I was all 'nerves' and didn't sleep very well. When I had taken the first bottle of 'Prescription' as a tonic I felt a lot better, so I took three more—then I had a good appetite and felt like a new woman." Buy now!
