

## Auto Industry Ready for Peak Year as Strike Ends

1—William S. Knudsen, vice president of General Motors, who signed the agreement for his company which ended the costly motor strike. 2—Last vigil of the "sit-down" strikers before they marched out of the plant in Flint, Mich. 3—Gov. Frank Murphy of Michigan, who conducted negotiations that led to solution of strike difficulties.

## Scenes and Persons in the Current News

1—Members of the Sailors Union of the Pacific Coast as they cast ballots to end the costly marine strike. 2—Speaker William B. Bankhead (center) shown with Congressmen Hatton W. Sumner of Texas and U. S. Guyer of Kansas studying the President's proposal for reorganizing the Supreme court. 3—President Roosevelt, who recently recommended to Congress legislation reorganizing the federal judiciary and the Supreme court.

### Salute of Daggers for Il Duce

With drawn daggers, his personal bodyguard salutes Mussolini during the celebration of the fifteenth anniversary of the founding of the Blackshirts. This dagger-salute, incidentally, is supposed to date back to the arrogant emperors.

### TO WED ERIN'S ENVOY

Mrs. Nicholas F. Brady of New York, widow of the utilities magnate, whose forthcoming marriage in Rome after Easter to William J. Babington Macaulay, Irish Free State minister to the Vatican, was revealed by friends recently. It was also reported that the ceremony probably will be performed by Cardinal Pacelli, Papal secretary of state, who was a guest at the Brady mansion at Manhasset, L. I., during his recent visit to this country.

### G. B. Shaw Sits for the Sculptor

George Bernard Shaw, British playwright and caustic critic of modern life (left), pictured in London with the sculptor Sava Botzaris and the bust the latter is making of him which is to be cast in bronze and gilt.

### CINDERELLA HEIRESS

Lillian Elifsen, maid in a West Englewood, N. J., home, took a day off to visit New York when she heard that she had inherited \$600,000 from her foster father in Norway, but she is going to hold her job until the fortune is turned over to her. Lillian's family name is Petersen and she was born in the United States, but when she was two years old she was adopted by a Norwegian shipbuilder and was taken by him to live in Norway.

### RESCUED FROM MINE

Peter Robert Johnson, thirty-six-year-old coal mine operator, who was rescued alive from the Pitts-vein mine at Flemington, W. Va., after he had been buried by a cave-in for a week. CCC workers and other volunteers, aided by the entombed man's dog, worked 18 hour shifts, 24 hours a day to save Johnson. The mine operator's rescue was regarded as one of the most amazing feats on record.

### Snow Queen Statue Wins College Cup

Florence Allen, of Birmingham, Ala., Queen of the Snows, presents a cup to Joseph Fogarty, of Newburg, N. Y., representing Delta Tau Delta fraternity, which made the best snow statue, picked by judges at the annual winter carnival here. The statue shows the founder of Dartmouth greeting the carnival queen.

### U. S. Army Demonstrates Its Landing Efficiency

First equipment brought ashore by the U. S. army, taking over Cabrillo beach, near San Pedro, Calif., in preliminary landing exercises, included tractors, trucks, field and machine guns. Photograph shows a tractor and trucks being put on the beach to demonstrate with what efficiency the army can disembark its troops and gear in the event of hostile attack upon our shores.

### KING'S BIRTHDAY

King Farouk I of Egypt, whose seventeenth birthday recently was observed throughout his nation by his subjects. The only son of the late King Fuad and Her Majesty, Queen Nazli, he acceded to the throne last April upon his father's death.

### De Forest's New "Dynathern" Fights Flu

Dr. Lee De Forest, wizard of radio and talking pictures, took a look at the influenza epidemic and decided something ought to be done. So, he offered his latest electrical invention in Los Angeles, the "dynathern," to a world suffering from coughs, sneezes and aching muscles. Built on radio principles, the dynathern uses ultra-short waves over a small field. The patient is placed within the range of these impulses. It attacks the organs internally, relieving congestion.

### Two Men Escape Uninjured in Freak Accident

Two men in an automobile crushed between two street cars luckily escaped injury in a freak accident in downtown San Francisco. John A. Toso, driver of the machine, said he attempted to get ahead of a street car. Another trolley car coming from the opposite direction cut him off with the result that he was crammed between them.
