The Curse of Progress

Just Informal

A dumb little girl and her chum were discussing the boy friend of the former. "The only thing I don't like about him," said her friend, "is that he's too rough." "He isn't rough," replied the young man's sweetie. "He's just informal."

Sounds Like It

"How long does the train stop here?" the old lady asked of the guard. "Stop here?" answered the functionary. "Oh, four minutes. From two to two to two."

"I wonder," mused the old lady, "if that man thinks he is the whistle?"—Exchange.
