Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled. Gas, Gas All the Time, Can't Eat or Sleep

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to hurt. A friend suggested Adlerika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never feel better."
—Mrs. J. S. Filler, New York, reports:
Adlerika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adlerika gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.
"In addition to intestinal cleansing, Adlerika greatly reduces bacteria and colon bacilli." Give your bowels a REAL cleansing with Adlerika and see how good you feel. Just one spoonful relieves GAS and constipation. At all Leading Druggists.

Drumhead Court Martial
Any summary trial is sometimes called a drumhead court-martial. Originally the name was given only to a summary and hasty court-martial called to try an offense committed on the battlefield or during a march. Most of the forms and ceremonies are dispensed with. The name comes from the fact that formerly such court-martials were often conducted around a drum used as a table.
