The Curse of Progress

Sociability
"Why do neighbors quarrel?" asked the kindly citizen. "Mostly for sociability," said Farmer Cornstossel. "If you try to go ahead and mind your own business some folks are sure to think you're stuck up and don't want to notice 'em."

Get Down to Facts
Restaurant Customer — Take this ham sandwich back and give me another one. This thing doesn't taste right.
Proprietor — If you will remove the cellophane wrapper it might taste more like a ham sandwich.— Boston Transcript.

No Nudist
Pat and Mike stood before a shop window, wherein were placed trunks on sale.
"Mike, why don't you buy a trunk?"
"What for?"
"To put your clothes in."
"What! and me go naked?"

BUILDING BLOCKS

By GLUYAS WILLIAMS

Uncle Phil Says:

Your Work at Hand
Look to tomorrow and plan for tomorrow — but don't forget to work today.
The people are not so often "fooled" as it seems. They're indifferent.
If you find that life is trying, do a little trying yourself.
Pleasures are the commas that punctuate life's sad story.
One likes as a friend an optimist with a strong peppery flavor of pessimism in his makeup.
Hold on to the Handrail
Friendship is the handrail up the stairway of life.
He is a poor fighter who permits an idea to strike him when he is off his guard.
Grouchy folks are sincere in this: They do not try to hide their bad temper. But that makes them no more likable.
Future grandpas will tell more about the hard times of this era than about the "good old days."
Which Kind Have You?
One kind of temperament stands aside and scorns the human race, another kind tries to see what can be done to better it.
You never can tell. An exploded theory doesn't always wake up the theorist.
Happiest housewife is one who has just made a noble pudding when her husband has unexpectedly brought a friend home to dinner.
That is a Friend
A true friend will multiply your joys and divide your sorrows.
Haste makes waste, it is true, but not like extravagance.
Scandal is the devil's merry-go-round.
A black sheep is sophisticated; you can't pull the wool over his eyes.

Short-Lived Governments

France has had 100 governments—premiers and their cabinets—or an average of one every eight months since becoming a republic for the third time in 1871. Not one has served a full term of four years because each has been forced to resign the first time that one of its bills was voted down by the National Assembly, an act which is indicative of a lack of confidence in the cabinet. —Collier's Weekly.

Why Laxatives Fail In Stubborn Constipation

Twelve to 24 hours is too long to wait when relief from clogged bowels and constipation is needed, for then enormous quantities of bacteria accumulate, causing GAS, indigestion and many restless, sleepless nights.
If you want REAL, QUICK RELIEF, take a liquid compound such as Adierika. Adierika contains SEVEN cathartic and carminative ingredients that act on the stomach and BOTH bowels. Most "overnight" laxatives contain one ingredient that acts on the lower bowel only.
Adierika's DOUBLE ACTION gives your system a thorough cleansing, bringing out old poisonous waste matter that may have caused GAS pains, sour stomach, headaches and sleepless nights for months.
Adierika relieves stomach GAS at once and usually removes bowel congestion in less than two hours. No waiting for overnight results. This famous treatment has been recommended by many doctors and druggists for 35 years. Take Adierika one-half hour before breakfast or one hour before bedtime and in a short while you will feel marvelously refreshed. At all Leading Druggists.
