If a hot cinder falls on your carpet and damages it; repair it with wool. Buy skeins of wool to match the colors in your carpet. Stockings can become a very expensive item for the mother of school-children—who are always falling down and tearing big holes in the knees. Try this way of repairing an outside hole: Take a piece of strong net to match the stocking and place over the hole on the inside of the stocking. Then darn the hole with wool that exactly matches the stocking on the right side of the stocking through the net. The repair, you will find, will be scarcely visible.

When the frying pan has got slightly burnt, drop a raw peeled potato into the pan for a few minutes. Then remove it, and all traces of burning will have disappeared.
