### Uncle Phil Says:

**Not to Be Regarded Lightly**  
When we give a promise we consider it a small outlay, but often large demands are made upon it.

The wasp makes no honey, but it is quite as busy as the bee. The bee, you see, understood how to get the praise and poetry of man.

Civilization is self-control. Self-expression, as interpreted, is merely "letting yourself go" and making a mess for yourself and everybody else.

When temptation refuses to pursue you, it knows you don't care much for it, anyway.

**Unfitness of Things**  
Shoes that are too small do not deceive the observant.

To be "up and doing" is interesting, no doubt important; but, goodness, are we never to cultivate repose—and do a little thinking?

We wonder if silver-tongued orators at times have difficulty in finding something to be silvery about.

Dr. Pierce's Pleasant Pellets made of May Apple are effective in removing accumulated body waste.—Adv.

**Different Ups**  
You can't keep a good man down; nor an impudent one.

### Don't Irritate Gas Bloating

If you want to really GET RID OF GAS and terrible bloating, don't expect to do it by just doctoring your stomach with harsh, irritating alkalies and "gas tablets." Most GAS is lodged in the stomach and upper intestine and is due to old poisonous matter in the constipated bowels that are loaded with ill-causing bacteria.

If your constipation is of long standing, enormous quantities of dangerous bacteria accumulate. Then your digestion is upset. GAS often presses heart and lungs, making life miserable.

You can't eat or sleep. Your head aches. Your back aches. Your complexion is sallow and pimply. Your breath is foul. You are a sick, grouchy, wretched, unhappy person. YOUR SYSTEM IS POISONED.

Thousands of sufferers have found in Adierika the quick, scientific way to rid their systems of harmful bacteria. Adierika rids you of gas and cleans foul poisons out of BOTH upper and lower bowels. Give your bowels a REAL cleansing with Adierika. Get rid of GAS. Adierika does not gripe —is not habit forming. At all Leading Druggists.
