**MUSIC DEPARTMENT PRESENTS OPERETTA**

The Irish operetta "Bits O' Blarney" under the direction of Miss Ruth Morrison, was presented Friday evening, April 23, by the H. H. S. music department.

The scene took place in a private garden of which Mike O'Noole, played by Leonard Bales, was caretaker. Peggy, Opal Stockard, had charmed all the boys away from their girl friends and the girls were quite vexed about it. Mike O'Noole, being a friend to all, played a clever trick on them. It resulted in all the boys going back to their sweethearts and all was merry in the garden again.

The principal roles were played by Opal Stockard, Darrel Seeliger, Gladys Pierson, Jim Jackson, Mary Burnham, Ruby Leo and Leonard Bales.

A chorus of dancers included Jane Jackson, Marion Pierce, Helen Ralph, Nina Rae McCulley, Mary Wilson, Wanda Moore, Marguerite Rainwater and Gladys Williams.

The girls' chorus consisted of Mary Helene Pierson, Irene Knapp, Arilda Foster, Joyce McCulley, Martha Bell Caldwell, Virginia Todd, Nellie Hooker, Lois White, Virginia Dyer, Esther McMullen, Helen Dunning, May Alice Corpe, Geraldine Mullins, Zaida Curtis, Frances Dawson, Audrey Null, Ethel Barber, Vivian Dyer, and Della Madden.

The boys' chorus included Bill Hamm, Stuart Rankin, Bob Follett, Willis Crampton, Robert Pierson, Tom Quick, Kenneth Bensen, Delmar McCracken, Harry Connor, Bill Nelson, Allan Clarke and Gerald Keller.

Those in the orchestra were Roberta Mullins, Bob Trumbull, Irene Kennings, Margaret Clarke, Lauretta Mulkins, Frances Follett, Bonnie Jean Follett and Mary Helene Pierson.

**CHRISTIAN SCIENCE CHURCHES**  
"PROBATION After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 25.  
The Golden Text was, "I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yes, saith the Spirit, that they may rest from their labours; and their works do follow them" (Rev. 14:13).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? But now is Christ risen from the dead, and become the first fruits of them that slept. The last enemy that shall be destroyed is death" (I Cor. 15:12, 20, 26).  
The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Bible calls death an enemy, and Jesus overcame death and the grave instead of yielding to them. He was 'the way.' . . . Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave" (pp. 39, 46).

**CROW ON MARKET**

Not only is crow eaten in Colorado, but a Denver meat market stocks the bird as a table delicacy, advertises it in the local newspapers as "an excellent game bird for roasting," and reports a lively demand for it among Denver housewives. The birds are advertised as Colorado rooks and offered at 25 cents each. The meat was recommended by a number of Colorado poultry growers as being both nourishing and delicious.

According to William D. Powell, manager of the Denver market which stocks the crows, sale of the birds for food in public markets will do much toward ridding the tions of the country might find the ling countless thousands of young ducks and duck eggs from the depredations of crows.

Powell says that, so far as he knows, his market is the only one in the country which has sold crows over the counter. He suggests that other markets in the different sections of the country might find the bird in demand for food, and furnish farmers with sport and revenue in supplying markets with the birds, and eventually solve the exasperating crow situation.—Outdoor Life.
