A MESSAGE TO EVERY MEMBER.

R-E-C-A

Released by the Umatilla Electric Cooperative Assn.

Questions, and many of them are being asked by farmers who live within the area to be supplied with electricity by the Umatilla Electric Cooperative association. Naturally there should be, for there are many facts to be learned and many plans must be made. It is not the purpose of these few lines to answer all questions that might be asked because we do not know all the questions and neither do we know all the answers. However, it will be possible to answer enough of them to justify the space taken in this column.

One of the questions usually asked first is "If I haven't filled out one of those blanks, will it be possible for me to get electricity?" The answer is, yes. In the very near future the project manager will call at your home expressly to show you how the service will be made available to you. That is one of his important duties. Keep in mind that the association is after volume.

Another question is, "How will I get my house wired?" I don't know a thing about it. It has been suggested that a school be established to teach the fundamentals of electricity and of wiring. With this information you should be able to do a fairly good job. For the protection of your insurance policy, however, the job, when completed should be examined by a competent electrician. Bear this in mind that valuable pieces of property are burned because of defective wiring. Be sure you are right and then go ahead. Of course if you do not wish to take a chance, it will be necessary to employ a competent electrician.

This inquiry is also made, "Should I start buying the electrical appliances I want right away?" Don't be in a hurry. There is plenty of time because juice will not likely be in the wires before winter. Of course if something should drop into your lap, don't turn it down.

In the issues following, more specific information will be printed in these columns. One important item of interest will explain the loan feature.

COLUMBIA GRANGE HOME EC. CLUB

The Home Economics club of Columbia Grange was organized at the home of Mrs. Emery Cox June 18, by the president, Jessie Corman. Mrs. Victor Stockard was elected vice president and Mrs. John Blair secretary-treasurer.

A "Tea Towel" lunch was decided upon as refreshments at the next Grange meeting, July 6. Each lady is to bring one or more tea towels each containing a lunch for two, and these are to be sold. Members of other granges are cordially invited to attend and ladies are requested to bring their tea towel lunches.

Stanfield Grange Notes.

The Stanfield Grange membership voted at its last regular meeting to hold regular sessions only once during the month of July and August. That meeting night will be the fourth Tuesday in each month. The next meeting will be July 27.

HERMISTON CO-OP CANNERY,
By O. L. Barlow, Manager.

POMONA GRANGE MORROW COUNTY

Morrow County Pomona Grange will meet at Irrigon, Sunday, July 11th. The business meeting will be called at 10:00 a. m., and all grangers are asked to come early. Each is to bring a lunch for the basket dinner at noon.

The afternoon meeting will be given over to a picnic, and games and stunts committee. C. W. Wicklander, state deputy, will talk on summer grange activities. Business meeting will be called at 8:00 o'clock in the evening at which time Greenfield Grange of Boardman will confer the fifth degree on a large class of candidates. Irrigon grange will prepare for the degree work.

4-H CLUB WORK SWINGS ON

(Too late for last week.)

from July 24th to August 7th and will be held the same time as field day at the Umatilla Field Station. At that time a judging contest will be held to select judging teams from all livestock clubs to compete at the local fair September 3.

Those present at the meeting were Arilda Foster, Eldon Saylor, John McMullen, Robert Benschel, Lois Hutchison, Loetta Mulkins, Charles Kik, Jay T. Pierson, Eugene Rugg, and the local leader Don Sherwood.

Miss Lois Hutchison, the writer, wishes to thank the following business houses in Hermiston, who made it possible for her to attend 4-H club summer school at Corvallis, June 7 to 18, to give her play, "Heart of the Ranch," which won fourth place in the state; Grange Co-op., Kelley & Boynton, Smith's Grocery, W. M. Bowman, Safeway Stores, J. S. Burnham, Guy Amshery, Dolly Kelly, Hunter's Cafe, H. L. Connor, Hermiston Mercantile Co-op., Umatilla Co-op. Creamery, Hermiston Co-op. Laundry & Cannery, Farm Bureau Co-op., Hermiston Herald, Hermiston Light & Power Co., Thompson's Drug, Style Shop and Rohrman Motor Co.

The Streamline Seam Stitches club members learned how to judge textiles when they met at the home of their leader, Mrs. W. E. Kennedy in Umatilla, Tuesday evening.

A demonstration was given by Catherine Kennedy on how to distinguish materials by the burning test. Cotton was the first tested, and it was found to ignite quickly and burn with a large yellow flame.

The linen test was practically the same as cotton, and wool was found to ignite slowly and burn with a small flickering flame. Unweighted silk burns rapidly with a small flame and has an odor like burning hair or feathers.

Rayon ignites readily and burns rapidly, much the same as cotton. Acetate rayon ignites readily and burns rapidly. The material appears to melt. As it burns it sputters and pucks, leaving a hard, shiny surface.

In answer to roll call at the Happy Hour Cooking club meeting last Thursday at the community hall in Umatilla, each member was asked to give a poem or sing a song.

This idea was furnished by Fay Davis, a member of the social committee. The members who will serve with Mary Margaret Kennedy on the social committee at the next meeting, which will be July 8, are Frances Chapman and Pauline Roach.

Grace Benschel and Maxine Thompson gave a demonstration on making cocoa and each girl present tasted and criticized it. The cocoa scored 98.

The girls discussed the uses of milk and cereals, and their food values. They also discussed plans for entering a demonstration team at the Umatilla Project fair September 2-3-4.

After the meeting of the Progressive Calf club was called to order by the president, Robert Benschel, and the minutes of the last meeting read by the secretary, Frank Benschel, discussion was carried on concerning a demonstration team. The meeting was called on June 28, at 8:00 P. M. at the Cooney home. The members of the club favored a judging team over a demonstration team. Members present were Eugene, Richard and Jimmy Rugg, Joe Coon-

ey and Robert and Frank Benschel, and visitors were Dan and Tom Cooney. A report was given by the three members of the club who attended the Eastern Oregon Livestock show at Union on June 10, 11 and 12. Those attending were Eugene Rugg, Joe Cooney and Robert Benschel.

The members discussed the possibility of attending the Livestock tour in Union and Wallowa counties during the month of July.

Refreshments were served by Mrs. Emmett Cooney at the close of the social hour.

The next meeting will be July 9, at the home of A. E. Rugg, local leader.

In spite of the pleasant interruption caused by 4-H Summer School, Mrs. Hinehine's cooking and canning clubs swung into work Wednesday afternoon of last week, making greater plans and showing renewed effort.

President Esther McMullen presented an idea for advancing club work during the summer season, which consisted of a Tri-Club, canning, cooking and sewing, and an ice cream social to be held during the latter part of July. This was heartily accepted by the members and the following committees were appointed: Refreshments—Vera Sisson, Eleanor Dawson and Jane Jackson; Program—Nina Rae McCulley, representing the canning club, and Frances Dawson the cooking club. The sewing club member will be appointed at the next regular meeting of the sewing club by Rebecca Pierson, club president.

A motion carried making Eleanor Dawson a representative of the Kookie Kooking Klub in the 4-H club news writing contest. Mary Helene Pierson will represent the We Can Canning club. Frances Dawson is acting as alternate. A 4-H club summer school scholarship is being offered.

The next meeting, July 8th, will be held jointly with the sewing club.

"The Heart of the Ranch," play written by Miss Lois Hutchison, leader of the Blue Ribbon Calf club, won second place in the 3rd annual play writing contest at 4-H club summer school at Corvallis early in June.

First place won a scholarship provided by the Seals Siberian Shop. It was won by Helen Michaela of Lane county. Her play was entitled, "Was It Worth It," which was part of a radio broadcast during summer school by Lane county delegates.

Twenty-five dollars in cash, provided by the Benton county State Bank, will be divided among the seven other winners whose plays will be used in the broadcasts.

The cast for the "Heart of the Ranch," included: Sherrill, Opal Hoisington; Mrs. Copeland, Lois Hutchison, author; Jack, Ronald Crider; Mr. Copeland, Alfred Bixby; Jim, Bruce Holt; Mr. Bateson, Bob Jackson; Mr. Johnson, Roy Bissinger, all from Umatilla county. The play was broadcast over KOAC at 7:30 June 12th, under the direction of James Morris. After the broadcast the cast again presented the play on the stage before an assembly of 1700 club members.

There were three members present at the meeting of the representatives from the various 4-H clubs competing in the Hermiston Herald news writing contest, which was held in J. T. Pierson's office Monday evening of last week.

The discussion was led by Miss Pauline Sloop of the Herald and Mr. Pierson.

The original news story copies submitted to the Herald by club members will be returned red penciled or marked so that the members can learn to correct their mistakes. Books and mimeograph material on news-writing will be given to the members at the next meeting.

Mr. Pierson stated that the club members should bring pad and pencil to all meetings of club eporters. Any size notebooks may be used in which members may paste clippings of printed news stories.

The club organization will be completed later, possibly at the next meeting which will be held in Mr. Pierson's office Wednesday, July 7, unless a change in date is necessary. Robert Benschel of the Progressive Dairy club was a new member present.

MANAGERS' TRAINING COURSE LAUNCHED.

(Co-op. League News Service)

New York—Realizing the growing need for qualified managers of newly organized eastern cooperative stores which have sprung from expanded buying clubs, the Eastern Cooperative Wholesale has launched its first Managers' Training Course as well as an institute on Consumers Cooperation. Cooperative history, methods, philosophy, organization problems and education technique will be covered the first week while business management will be discussed the second. Among the faculty during the second week will be Louis Englander of the Cooperative League Accounting Bureau, T. G. Castner of the Eastern Cooperative Wholesale, and Ivan Lanto, manager of National Cooperatives, Inc.

ALL IS SAFER!

Since

Came to Town

And no wonder! This sensational De-Skidded tire gives motorists a new control of forward skids on steep, treacherous hills . . . new control of side skids on hairpin curves and wet, slippery highways.

If you haven't had a ride on this amazing safety tire come in today. One ride tells the story.

*With its HUNDREDS OF ADDITIONAL SHARP-EDGED TREAD UNITS, the De-Skidded U. S. Royal Master has introduced a new degree of safe, positive control over all wet weather skidding hazards. The clean-cut edges bite through slippery road film—wipe the water away—eliminate the very cause of skidding by giving every inch of the tread a safe, dry road contact. Only Royal Master has so many hundreds of gripping edges in both directions...only Royal Master gives complete control from both forward and side skids.
