**WHY JEOPARDIZE THE GREATEST ASSET YOU EVER HAD, YOUR SOCIAL STANDING IN THE COMMUNITY . . . . . ?**

**STOP! THINK!**

Don't forget when you asked for credit you asked for a **Personal Loan.**

Remember, you asked for confidence when you asked for credit, and you were not compelled to sign a note or put up any kind of collateral as security.

This is called a **Character Loan** by the banks, so don't lose that confidence that your merchant or doctor bestowed on you. Start now to pay, part pay, or satisfactorily arrange to pay on that character loan.

Remember you lose your character and you lose something you may never regain.
