

## REA LINE SURVEY NOW UNDERWAY

### CONTRACT POWER FROM P. P. - L. CO.

H. S. Burdin, engineer of the firm of Barr & Cunningham of Portland, which holds the contract for surveying the lines for the Umatilla Electric Cooperative association, is working in the field this week and will complete the checking and surveying Friday. Other engineers will be on the field next week to stake out the lines, and contracts for work of constructing the lines will be let by November 1.

Electricity has been secured for power from the Pacific Power & Light company at a reasonable switchboard rate. This announcement was made at the meeting of the association board last Tuesday night. Anyone receiving electrical service must sign a membership application at a fee of \$5.00 which puts the line and meter to the member's house.

House wiring may be done by contract or by the individual if in accord with state regulations and specifications. Membership does not include house wiring but puts line and meter to the house.

Right of way for fifty miles of line have been secured by representatives of the association working in the field for the past two weeks. In making the line survey, maps are being made and notations of all houses and trees that must be protected, and easements secured. The entire territory has been covered on the 120.5 mile proposed route for electric line.

A minimum charge of \$1 has been announced by the federal government.

Members of the board are R. G. Penney, president, J. H. Reid, secretary-treasurer, E. J. Saylor, superintendent, R. G. Saylor, Hawley Bean and E. D. Martin.

## GAME FORFEITED IN THIRD QUARTER

(From the Bulldog)

Frank O'Neil's Bulldogs pounded their way to a 19-0 decision over the hard fighting Joseph team, Saturday on the Hermiston field. The decision came as the game ended in the middle of the third quarter, when the Joseph team was withdrawn from the field by their coach, after two of the Joseph players had been taken from the game injured. The reason given for the forfeit was the hard-driving, fast-stepping Bulldogs were too big and tough.

As the game ended in the third quarter, the Bulldogs were again resting on the visitor's goal line with first down and goal to go. Coach O'Neil's combination of single and double wing-back formations, running a great many spinners, cross and straight bucks, end runs and laterals greatly confused the visiting boys.

Stuart Rankin, the counter-pin, of the Bulldog's offense, showed some very spectacular running and accurate passing. His running mate, Ralph Marble, drove through the line on deceptive bucks with speed which resulted in a number of first downs. Clarence Myers, tackle, and C. O. Marble, guard, were very outstanding in the line. Other boys who showed up exceptionally well were L. Hunt, H. Buell, A. Shipp, B. Hamm, M. Rankin, L. Flannigan, Al Shipp and F. Furrer.

The Bulldogs play Pendleton this coming Saturday, October 16th.

## HUGE CO-OP RALLY PLANNED

Plans for a huge cooperative rally were made at the last Cooperative Council meeting held last week. The meeting will be held in the high school building on the evening of October 29th.

The meeting is being held in the interest of cooperation and several outside speakers of prominence will be secured. Speakers from Portland and Walla will explain the various phases of cooperation. An especially fine musical and entertaining program is being planned by the committee.

Details of the meeting will appear in the next issue of the Herald.

## R. L. ADDLEMAN PASSES WEDNESDAY

R. L. Addleman, who has been a resident of Columbia district for the past 20 years, passed away Wednesday, October 13, at Littlerock, Kansas, where he has been receiving medical care for the past two months. The message came by wire late Wednesday night and no details were learned.

Addleman came here with his family from the Willamette valley where he was employed by a commercial dairy. He has maintained a large dairy herd for a number of years but of later years has gone into the poultry business.

He is survived by his wife and seven children, Mrs. Lella Montgomery, Puyallup, Wn., Mrs. Viola Fisher, Tacoma, Wn., Mrs. Mary Hall, Seattle, Wn., Ernest Addleman, Pendleton, Helen Addleman, Puyallup, Wn., Dorothy Addleman and Victor Addleman of Hermiston.

## VARIETY POULTRY ON PROJECT

That there is some exceptionally fine poultry in a variety of breeds on the project, was evidenced by the splendid showing made at the recent Umatilla project fair. While single comb White Leghorns predominated, there were a number of other breeds that exhibited. Future exhibitions are expected to show more interest as growers increase displays.

High feed costs the past season, together with low egg prices, have caused a number of poultrymen to decrease the number of birds below that ordinarily kept, but with a tendency toward lower feed costs and a stronger market, prospects for 1938 appear a little brighter for the poultryman, not only locally but over the nation.

N. J. Vanskike, proprietor of the "Vigorbilt" Poultry Farm and Hatchery, made a trip this week through the Milton-Freewater section, and reports indications are that the poultry population has diminished in that section the past two years. Farms formerly operated on a large scale now have only a few birds.

## DISTRICT AUXILIARY MEETINGS HELD

Mrs. James Todd, president of district No. 6 of the American Legion Auxiliary, was entertained Thursday afternoon at a tea, by members of the local unit, in the Legion hall.

During the past two weeks Mrs. Todd has visited units in the district to assist in installation of officers, going to Fossil, October 1st, Condon, October 2nd, and Ione, October 8th. Members of the Legion accompanied her to Fossil and Mrs. O. K. Mudge, president of the local unit, has accompanied her on all deputation trips. Mrs. G. W. Ripley and Mrs. W. L. Hamm made the trip to Ione with them.

Mrs. Todd will visit Pendleton, October 20th, and Arlington on the 21st.

### Herb Skovbo Returns.

Herbert Skovbo returned to Hermiston last week after three months on the freighter S. S. Mapele of the Matson line making a trip to the Hawaiian Islands. They were ten days making the trip and twelve days returning, spending two weeks picking up freight at the various islands. While at Hawaii he visited the Waikiki beach, heard the famous Royal Hawaiian band, and visited the sugar manufacturing plants. The languages most prevalent on the islands are English, Spanish and Hawaiian. Herb will be at home for two months at least.

### 300 Head Beef Cattle.

R. G. Saylor returned recently from Burns where he purchased 300 head of white faced Herefords from the Westley Street herd. Saylor expects to fatten the animals and ship them to an early winter market. Last year he made a trip to the drought stricken area to purchase and ship beef cattle. The cattle are grazing in fields on his place on Butter Creek.

### WEATHER REPORT.

Date	Max.	Min.
October 7	72	30
October 8	74	31
October 9	77	33
October 10	77	34
October 11	77	33
October 12	74	34
October 13	72	35

Above are the boys who make up the football squad this year. They are from left to right: Front row—Walter Hinkle, Donald Pansel, Elbert Moore, Jesse Moore. Second row—Clarence Myers, Marvin Rankin, Elmer Moyer, Hiram Stillings, Lester Flannigan, Ralph Marble, Tom Lotspeich. Third row—Lawrence Hunt, Jim Jackson, Stuart Rankin, Harold Buell, Gerald Keller, Richard Rainwater. Last row—Alfred Shipp, Jack Tillery, Bill Hamm, Robert Christian, Albert Shipp, and Frank Furrer. Coach O'Neil is on the extreme right.

## GAME BIRDS TAGGED FOR SHIPPING

The Oregon State Game Commission has established O'Conner's Cafe at Hermiston as a tagging station where metal tags and shipping permits may be obtained by all sportsmen who desire to ship game birds or place them in cold storage during the hunting season. Birds may be kept in cold storage indefinitely after being properly tagged. Hunting and fishing licenses may also be secured at O'Conner's.

## COUNTY OFFICES CLOSED SAT. P. M.

Due to a law passed by the last legislature, the offices at the court house in Pendleton are closed Saturday afternoon with the exception of a criminal deputy on duty in the sheriff's office. This announcement was issued from the sheriff's office in Pendleton.

### Charles Hahn Passes.

Word was received here Thursday of last week through a wire sent to W. E. Goodwin, that Charles Hahn, former Hermiston resident, had died at his home in Grants Pass. He lived here a number of years and conducted a harness and shoe store in the building now occupied by the Brierley store, which he owned at the time of his death. His wife is a daughter of Mr. Goodwin.

### Officer in Engineering Club.

Oregon State College—Lawrence Swarner of Hermiston, junior in agriculture at Oregon State college, has been elected vice president of the Oregon State Agricultural Engineering club. The club is made up of all students registered in agricultural engineering. It sponsors throughout the year a smoker, dance and an agricultural leaders' banquet, and provides educational programs for its members.

### Control Board Member.

Oregon State College—Walt Jendrzewski of Hermiston, a senior in agriculture, has been selected to represent the student body on the Memorial Union board of governors for this year. The appointment was made at the October 5th meeting of the executive council of the associated students.

## PHEASANT HUNTERS REQUESTED TO RETURN ALL LEG BANDS FOUND ON GAME BIRDS

Hunters who enter the fields of Oregon in search of China pheasants during the coming open season from October 15 to 31, inclusive, in most sections of the state, can help to maintain or increase the supply of birds for future years by taking the slight trouble to return any leg bands that may be found on birds they kill to the State Game commission, says A. E. Einarsen, associate biologist of the Oregon Research unit of the U. S. Biological Survey, located at Oregon State college.

The State Game commission, which cooperates with the Biological Survey, the American Wild Life Institute, and Oregon State college in carrying on research work in this field, liberated some 20,000 pheasants following the close of the hunting season last fall. This season they are anxious to learn just how many of them are killed, how, where and when, Mr. Einarsen says. Instructions for returning the bands are simple, and are printed on each band.

Although this is the first hunting season since the birds were liberated, several hundred leg bands have already been returned. Each band carries a number, and this, together with the name of the person who found it, the cause of its death, the date, and the place where it was

## SCHOOL CLOSED FOR INSTITUTE

The annual regional teachers' institute will be held in La Grande, October 21 and 22. Six counties represented will be Baker, Walla, Union, Umatilla, Morrow and Malheur. All local teachers are expected to attend this institute which takes the place of the county institute formerly held. Consequently, school will be closed for the two days, Thursday and Friday, according to Supt. W. G. Kersbergen.

### President Columbia C. E. Union.

Cecil Warner, son of Mr. and Mrs. Cecil Warner of Hermiston, has been elected president of the Columbia Christian Endeavor Union, comprising all of Umatilla and Morrow counties. The office was taken at an executive meeting held in Pendleton last Sunday in the absence of the president, Powell Graham, who is a student at Eastern Oregon Normal school in La Grande. Cecil will carry out plans for the fall convention scheduled for December 2-4-5, and conduct fall rally meetings. The convention will be at Milton-Freewater. The Misses Catherine McMullen and Pauline Stoop also attended the meeting.

## COUNTY HEALTH UNIT OFFICES

Glistening white enamel, fresh walls and shining floors are much in evidence at the new offices of the Umatilla County Public Health Unit in the basement of the City hall, occupied Saturday, October 9th.

First room is an office, with Miss Louise Dyer as receptionist and secretary. A hall leads from this to the office of Dr. F. Sydney Hansen, Umatilla County health officer, and also opening from the hall is the office of Miss Marion Allen, senior public health nurse and her assistants, Miss Elma Duncan and Miss Marjorie Bohart. Miss Bohart also has offices at McLoughlin high school in Milton and spends the greater part of her time in the east end of the county. Miss Duncan's duties, for the most part, are in the west end.

A laboratory is included and there is hot and cold running water in each room. A rear entrance is another feature of the offices.—East Oregonian.

## HUNTERS BRING IN MANY DEER

Hunting parties over the week end brought in deer bagged in the mountains. K. M. Mayer, employed in the First National Bank of Hermiston, expressed a 180 pound, 4 point, buck from Lakeview where he bagged the animal early this week. It was taken care of by employees of the Umatilla Cooperative Creamery.

The D. D. Follett family went hunting Sunday and Bob bagged his deer the first thing after the girls hustled the animal out of the brush. It was a dead shot through the lungs.

Dr. W. L. Morgan, W. M. Pearson, R. C. McReynolds and Ed Bessel, who went hunting over the week end, returned with a two point deer, bagged by Pearson.

Mr. and Mrs. Bill Shaar came in Thursday, each with a buck, which they bagged at the head of the John Day river.

Another party was less fortunate going Sunday night and returning Tuesday afternoon. This was C. Warner, G. B. Schmid, and Cecil Warner Jr.

Walter Hamm, Pete Laas and J. A. Reeves left last Sunday for Bly, Oregon, on a hunting trip, and expect to return today.

## STANFIELD GIRL MARRIES ECHO MAN

STANFIELD, Oct. 13—Miss Anna Hedrick, daughter of Mr. and Mrs. H. L. Hedrick, of Stanfield, and Ralph Isaackson, son of Mrs. Edna Gibson of Echo, were married Monday afternoon at 2:00 o'clock in the parsonage of the Rev. L. E. Obert of the Christian church at Pasco, who read the ceremony. Harry Peterson, a friend, and Walter Isaackson, brother of the groom, attended the couple.

At 7 o'clock a dinner was served by Mrs. Gibson at her home east of Echo for the young couple, their parents and family and intimate friends: Mr. and Mrs. H. L. Hedrick and daughters, Billie, Neva and Alice, Walter Isaackson, Dan Porter, Mr. and Mrs. John Blair of Umatilla, Miss Norma Blahm of Hermiston, Harry Petersen of Ione, and Ralph Haney of Stanfield.

Dancing was enjoyed by a charitable crowd later at the city hall in Echo with members of the wedding party furnishing the music. The evening was climaxed with a midnight supper at Mrs. Gibson's.

## SON OF F. A. BAKER STANFIELD, HONOR

The son of Mr. and Mrs. F. A. Baker of Stanfield was honored recently when he was selected to attend a post-graduate clinic at Mayo Brothers institute at Rochester, Minn., October 3 to 16. Dr. A. B. Baker, Sterling physician and surgeon is now at the clinic.

The clinic is sponsored by the government, for selected medical officers of the reserve corps of the United States Army and Navy. Two hundred reserve officers, including medical doctors, dentists, and veterinarians, are chosen each year from the three to five thousand medical reserve officers. Dr. Baker is a first lieutenant in the Army Officers Reserve corps.

The post-graduate work affords the reserve officers 100 hours of credit inactive duty. Those who conduct the courses include high officers of the army and navy medical services.

### Hotel Improved.

The Hermiston Hotel is being improved this week. H. W. Loudermilk is putting new casing on the ceiling of the porch and the building will soon be painted. The interior of the building will also be improved, according to Jarvis Durfey, proprietor. The hotel has been a landmark for years in Hermiston and has been known by traveling salesmen and patrons as a pleasant place to spend the night.

### Summer Flowers Bloom Late.

Summer flowers are blooming late in the flower garden at the home of Mr. and Mrs. Chas. Taylor. Mrs. Taylor picked a bouquet of Shasta Daisies, Pinks, Budleia, Coreopsis, Scabiosa, and Phlox last Saturday and brought them to the Herald office for display. It is unusual for summer flowers to continue blooming this late in the fall.

## LOWER PRODUCTION NOTED IN REPORT

### 39 PER CENT FAT REDUCTION

This marks the ninth month of the testing year for the Umatilla-Morrow Dairy Herd Improvement Association. During the month 39 herds were tested on the standard plan with 394 cows enrolled. The average production per cow was 377.3 pounds milk and 19.1 pounds butterfat. This was a 39 per cent drop in fat production under the August month. It is very evident that the pastures are being depleted at this time of year and the cows are not being fed proper amounts of hay and grain to maintain production. Cows going into winter production should be fed a little grain, particularly those cows which have recently freshened.

The high herds in the different divisions are as follows:

Over 20 cows, Dell Christley, 48 Jersey and Holstein, 438.8 lbs. milk and 21.0 lbs. fat; 12 to 20 cows, Floyd Laird, 13 Jerseys, 532.6 lbs. milk, and 28.2 lbs. fat; Under 12 cows, L. C. Dyer, 6 Jerseys, 231.1 lbs. milk, and 38.5 lbs. fat.

The high cow for the month was a four year old Jersey owned by Floyd Laird of Hermiston. She produced 990 pounds milk with 48.5 pounds butterfat. The second high cow was owned by L. C. Dyer. A three year old registered Jersey produced 1035 pounds milk with 47.6 lbs. fat.

Four cows were disposed of during the month via the slaughter route. One bull was sent to the stock yards and one purchased for breeding purposes.

The honor cows for the month are as follows:

Nora, 4 yrs., Jersey, owned by Floyd Laird, producing 990 lbs. milk, and 48.5 lbs. fat.

Tiddlywinks Lou Rinda, R. Jersey 3 yrs., producing 1035 lbs. milk, 47.6 lbs. fat, owned by L. C. Dyer.

Tiddlywinks Girl Oxford, R. Jersey, 2 yrs., producing 696 lbs. milk, 37.6 lbs. fat, owned by L. C. Dyer.

Tusko, Jersey, 2 yrs., producing 891 lbs. milk, 35.6 lbs. fat, owned by Dell Christley.

### Squash Yields 30 Ton to Acre.

F. S. Green, who farms five miles northeast of Stanfield, displayed some huge squash last week which he says will yield 30 ton to the acre from two acres of his 40 acre farm. Green cultivated his land four years ago from the barren sandhills, taking out the sagebrush and putting the land into vegetables, alfalfa, corn and sweet clover pasture. Green has lived on the Stanfield project for a number of years and has been active in community and grange affairs.

## ATTEND PENDLETON PTA MEETING

Several Hermiston women motored to Pendleton Monday to attend an all day meeting in the Vert Memorial building of the school of instruction directed by Mrs. C. W. Walla, state president of the Parent Teachers' association. The topic discussed was "To Know is to Grow," stressing the need of keeping young people of today occupied along the right lines in which they might develop spiritually and socially.

The women from the local association spent the day at the meeting getting a great deal of enjoyment from the conferences and instruction from the lectures. Mrs. R. Hale is local membership chairman and has sent out notices to parents asking that they send their memberships in by their children. Memberships will be issued this year for a fee of fifty cents, half of which is state and half national. Last year the association had as its project the sponsoring of hot lunches for school children during the cold weather but the project for this year had not yet been selected. No need for hot lunches will arise if the cafeteria continues to be conducted on a paying basis.

Among those attending the meeting were Mrs. Glenn Ripley, Mrs. Roy Hale, Mrs. R. B. Wilcox, Mrs. David Middlesdorf and Mrs. Geo. Harkerider. Mrs. Ripley is president of the Hermiston association.
