In this one week you have only sampled the fine products of the Columbia Empire. In one week you have started the snowball of prosperous employment rolling. So, remember that we who are WORKERS and BUYERS are the creators of WORK and OPPORTUNITY. Let's multiply this last week by fifty-two. As long as our products of the Columbia Empire have merit - as long as they produce happiness and employment for us, let's give them first and permanent consideration. We have found the truth - "WE MUST BUY TO WORK - and WE MUST WORK TO BUY."

Ask: IS IT PRODUCED IN
