CHRISTIAN SCIENCE CHURCHES

"MORTALS and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ. Scientist, on Sunday, May 15.

The Golden Text was, "As is the earthy, such are they also that are earthy; and as is the heavenly, such are they also that are heavenly" (1 Cor. 15:48).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "What is man, that thou art mindful of him? and the son of man, that thou visitest him? Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet" (Ps. 8:4,6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind. . . The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth, and Love. Immortal man is not and never was material, but always spiritual and eternal" (p. 336).

CAPITAL STOCK FIRE INSURANCE REMOVES ALL THE RISK

YOU take out fire insurance for one purpose . . . to protect yourself against financial loss. If your policy is issued by a CAPITAL STOCK FIRE INSURANCE COMPANY, you are protected against having to pay any part of the losses except through your premium. Backed by cash capital and adequate surplus, at all times you receive 100% protection against financial loss.
