MORE WATER
 —just when you need it!

WHenever you want to all laundry tubs, water the stock or sprinkle the grass, it's mighty nice to know that your electric pump will automatically deliver 40% more water than its rated capacity.

Westco Turbine Water Systems are the only electric pumps that can do this. Then too, they have only 1 moving part. Think of it—no belts, no gears, no rods, no pistons, no valves, no springs. In fact, nothing to wear and get out of order. Thousands in use today. Owners swear by Westco's "year in and year out" trouble-free operation.

Get FREE Folder
 Come in and get your copy of Westco's FREE illustrated folder. It answers all questions about this extremely simple, trouble-free water system.
