SHIRLEY SHOWS YOU TIME OF YOUR LIFE

Shirley Temple always turns in a fine performance — as millions of fans will attest—but this time she gives you the time of your life!

She's a Shirley of surprises simply surrounded by singing, dancing, romancing, fun making show people. And if you're thrillable, "Little Miss Broadway," which begins Sunday at the Oasis theatre, is the musical thing to thrill to.

It's all about a little miss who lives in a vaudeville hotel with her foster family, Edward Ellis and Phyllis Brooks. When Jimmy Durante's jazz band gets too loud in its rehearsals, the wealthy neighbor, Edna Mae Oliver complains and

threatens to close the hotel. George Murphy, her nephew intercedes—and while he wins nothing but enmity from his prim aunt, at least he wins the favor of fair Phyllis.

Six sparkling tunes ranging from ballads to sizzling swing lend themselves to Shirley's singing as well as the intricate steps which she and Murphy execute together.

Protect Their Health with **DOUBLE-COMFORT HEAT**

WITH A **Coleman OIL HEATER**

Improper heating, cold floors, dead stagnant air, lack of warm air circulation are the causes of many winter-time ills. The new Coleman Heater protects health and gives more comfort because it has a two-way heating service. When Heat-Reflector Doors are open, heat radiates into a focused comfort zone. When doors are closed heat circulates throughout the room. This warm air flow is 35% greater than formerly. Floors and corners are kept warm. Cold air layers and stagnant dead air pockets are broken up. Huge quantities of freshly warmed air circulate through the house. The temperature is kept uniformly warm and healthful from floor to ceiling. Protect the health of your family with a Coleman Heater.
