RUFUS C. HOLMAN, for United States Senator.

"For Oregon, its people their welfare and prosperity."

A man of character and achievements, with a proven record of economy, efficiency and honesty in public affairs. An Oregon man, who understands her people, and how to serve them and protect their interests.

A progressive, dependable Legislator of many years experience, long interested in old age assistance, and long a supporter of the Townsend Plan for National Recovery.

JAMES W. MOTT for Congress from the 1st District.

His excellent record in defense of Doctor Townsend and the Townsend Plan in Congress demands our wholehearted support.

WALTER M. PIERCE, for Congress, from 2nd District.

Although of the majority party in Congress, his interest in and support of the Townsend Plan, warrant our continued support.

You will find the above names in the October 10th issue of the Townsend National Weekly. Do Not be Misled. There are NO OTHER Townsend Endorsements.

THE SPECIAL BALLOT.

No. 312 on the Special Ballot is the opportunity given to the public to demand of the Legislature of the State that they memorialize Congress to submit the principles of the Townsend Plan as a constitutional amendment to the 48 States for their consideration. Vote 312 x YES.

No. 315 is a negative vote on the so called "Eastman Bill" This bill is unworkable, and has been condemned by Doctor Townsend and therefore you should Vote 315 x NO. **U. B. Loyal**

In spite of my admiration and respect for my opponent I feel that his age of 85 years disqualifies him.

ELECT CHARLES A. SPRAGUE GOVERNOR

Pd. Adv. Robt. O. Boyd, Sec. Sprague for Governor Hdq., Pacific Bldg., Portland

YOUR VOTE DECIDES who NEXT gets LIQUOR'S \$8,000,000

Now these millions in Oregon are going for Old Age assistance, care of homeless and crippled children, and general relief under decent state liquor control, which drove bootleggers out of the state. But the Anti-Liquor League's

State-Wide PROHIBITION BILL
will return it to bootleggers!

Proposed law wrecks the State Liquor Commission and State Relief, but it will not destroy the liquor traffic. Prohibition only puts liquor in back alleys to enrich the underworld. Stand behind your State Liquor Commission.

316 (X) YES! RALPH E. MOODY State of Oregon PROSECUTOR in 'GOON' CASES

says—

"Under the existing laws of this State there is—
NO AVAILABLE REMEDY for the members
of labor unions to enforce an accounting by officials of the unions for funds received and expended.
NO AVAILABLE PROTECTION AGAINST
... industries being driven into bankruptcy and
ruin through improper picketing and strikes.
NO AVAILABLE PROTECTION for ... the
public against injuries suffered and financial
losses sustained by reason of jurisdictional
disputes, strikes and lawless molestation and block-
ading of trade and commerce by labor bosses
and racketeers.
These facts must be brought home to the voters
with the greatest possible emphasis, in order
that another reign of labor terrorism, such as
we have just experienced, may not re-occur
in Oregon."
