

FARM CO-OPERATIVE DIVISION

A MESSAGE TO EVERY MEMBER.

CANNING SCHEDULE FROM APRIL 17 TO 22

Asparagus canning is just beginning. The cannery will be open for canning asparagus next week on Monday, April 17, Wednesday, April 19, and Friday, April 21, from 8:00 a. m. to 3:30 p. m.

Other products will be canned by special arrangements.

Hermiston Coop. Cannery,
Alton E. Sisson, Mgr.

Herd Testing Report Issued.

Twenty herds, comprising a total of 338 cows, were tested during the month of March, according to the monthly report recently issued by H. R. Hartley, D.H.L.A. tester. Two members were added to the association during the month, and one member discontinued testing.

MORROW COUNTY POMONA GRANGE HOLDS MEETING

By Mary Lundell.

Although this is a busy season for farm folk, the attendance at Morrow Pomona Grange held recently was good. About 70 persons enjoyed the dinner served, and the program presented by the lecturer, Vida Heiker.

The program opened with a community sing, followed by a trumpet solo by Raymond French; Reading, Helen Lindsay; Talk, "Membership Gain", Chas. Wicklander; Poem, "The House by the Side of the Road", Miss Hewett; Talk, "Legislative Problems", Ray W. Gill. State Master Gill was a welcome Grange guest, and was accompanied by his daughter, Miss Helen Gill, student in agriculture at Pullman College.

Two outstanding features of Pomona business pertained to the juvenile work and the bill H.R. 196, introduced in congress by Walter M. Pierce.

There seems to be some dissatisfaction over the state regarding the raise in juvenile dues. A suggestion by S. J. Devine would supply the needed funds through the subordinate Granges instead of by the juveniles. By motion, the suggestion became a part of a resolution and will be sent to the State Grange.

Bill H.R. 196 introduced by Congressman Pierce of Oregon, "provides for the general welfare by conserving and protecting the agricultural resources of the United States through control and eradication of noxious weeds; to empower the Secretary of Agriculture to construct and operate an electro-chemical plant for manufacture of alkali chlorates and to distribute these herbicides at cost to the states carrying out programs for the control and eradication of noxious weeds."

Mr. Pierce's bill provides for the use of Bonneville power for the manufacture of chemicals. Morrow County Pomona Grange went on record supporting bill H.R. 196.

State Master Gill discussed at some length the doings of the recent state legislature.

The sales tax question, which has previously threatened Oregon, died in the committee room.

Although the legislation on Bonneville power was anything but what the people of Oregon want, still we are not giving up. When we realize that our sister state, Washington, has already organized 28 counties into power districts, and Oregon but two, we can well ask ourselves where the two units of Bonneville power is going. Are we going to sit by until 1941 and watch our birth right lost to us and our posterity?

The initiative referendum will be applied to the act of legislature in regard to the primary law, changing the primaries from May to September. Petitions will be circulated during the month asking that the matter be placed on the ballot, thus referring the matter to the vote of the people.

More news regarding the primary law and how it affects populace, will be published later.

For the next 18 months, an attendance contest will be sponsored by the Pomona, with a cash prize of \$20.00 offered. Rules and regulations will be prepared by the following committee: Mrs. Laura Rice, Lexington; Oren Wright, Rhea Creek; Edwin Hughes, Lena, and the county agent. These rules will then be sent to the various Granges of the county.

In July, Pomona will be guests of Willows Grange.

NOTICE TO MEMBERS OF THE UMATILLA PROJECT FARM BUREAU.

The annual payment of \$1.00 to the organization was due March 1st, and we would like to have all old members, and as many new ones as possible, in good standing before April 1st. Membership in the Farm Bureau also entitles the holder to a year's subscription to the Hermiston Herald, starting April 1st. Regular subscription price is \$2.00 per year. C. M. JACKSON, Secretary.

COUNTY AGENTS TO CONDUCT PROGRAMS

A quarter hour weekly radio program over KUJ, Walla Walla, is to be conducted by the Umatilla extension staff, announces W. A. Holt, county agent. Every Saturday from 1:00 to 1:15 p.m., some member of the extension staff will be in Walla Walla to broadcast timely information on agricultural problems and recent developments in the agricultural field.

Any farmers' organization wishing to have announcements broadcast on this period are invited to get in touch with their nearest extension agent.

The first program is scheduled for Saturday, April 15.

STREAM FLOW PROSPECTS FAVORABLE IN THIS AREA

(Continued from page 1)

crops depend on late spring and summer rainfall. Water storage in stubble lands is not as good as last year and somewhat below normal at the Moro branch experiment station, and adjacent sections of the wheat belt.

Those attending the Hermiston meeting were J. M. Spencer, Umatilla county watermaster; F. M. Caverhill, assistant watermaster; R. A. Work, Medford, associate irrigation engineer; M. R. Lewis, Corvallis, senior agricultural engineer; J. H. Ryan, Salem, assistant state engineer; M. M. Oveson, superintendent, and R. B. Hoskinson, foreman, Moro branch experiment station.

Others included Charles H. Overbay, assistant forest supervisor, Pendleton; E. D. Martin, manager Hermiston Irrigation district; A. C. Houghton, manager West Extension Irrigation district; C. L. Tice, superintendent McKay Creek reservoir; Walter Holt, Umatilla county agent, Pendleton; M. E. Kniekerbocker, assistant county agent, Hermiston; H. K. Dean, superintendent, Emil Zivney and D. H. Sherwood, Umatilla branch experiment station. C. D. Conrad, county agent, Morrow county; and John C. Burtner, extension editor, Oregon State college.

WILLOWS GRANGE NEWS

Once again Willows Grange baled on a building site. By a majority vote, Cecil was chosen, pending the granting of a clear title to the property in question in a reasonably short time. A committee was appointed to care for the financial end of the building project, and another to select the type of building best suited to our needs.

At the next meeting the matured plans and reports will be submitted to the membership, and the building should soon be under construction. The Home Economics club served a delicious lunch in keeping with the Easter season.

AUXILIARY TO HOLD SHOWER PARTY

Another interesting meeting was held last Friday by the Farm Bureau auxiliary. A feature of the program was a reading by Mrs. Emma Hutchison on "Good Friday." Several clever games were played during the evening. Mrs. Edna Barager was awarded first prize, with Mrs. Minnie Ott winning second high honors. Mrs. Emma Hutchison and Miss Grace Foster were in charge of the program. Mrs. Minnie Ott, Miss Martha Walters and Mrs. Mary Harr were in charge of refreshments.

The next meeting will be held Friday, April 21, with Miss Lois Hutchison and Mrs. Emma Upham in charge. In charge of refreshments will be Mrs. Ethel Hughes and Mrs. Katherine Jendrzewski. The affair will be a party and a handkerchief shower for Mrs. Avis Keener. Members are urged to keep in mind clean-up day at Columbia park with a definite date to be announced.

MILK GOOD AID TO DENTAL HEALTH

Sound, healthy teeth are personal assets coveted by everyone. When a person laughs or smiles, no other feature contributes so much to his good appearance as a perfect set of teeth. From the time teeth begin to form—which, by the way, is several months before the child is born—the parents should see to it that they are properly cared for. When neglected, teeth may decay so badly that no amount of care later in life can keep them sound or make them lovely.

While it is important to keep the teeth clean and in good repair and to make frequent visits to the dentist, it is even more important to eat the right foods. Good dental health and good nutrition go hand in hand and, like other parts of the body, teeth are made from the food we eat.

The foods that help to build strong, hard and healthy teeth contain lime (calcium), phosphorus, and that substance we call vitamin D. We have said before that one of the most common dietary faults is a lack of calcium, traceable directly to an inadequate milk intake. Milk is not only the most important food source of calcium but it contains the calcium in a form that is quickly absorbed and assimilated by the body.

Milk is a good source of phosphorus, too, so if you see to it that enough milk (one quart per day for each child and one pint per day for each adult) is included in the meals you plan for your family, there need be no concern over these two important minerals.

The main source of vitamin D—the old reliable sunshine vitamin—is codliver oil or similar preparations and Vitamin D Milk, and in lesser amounts, butter, whole milk and egg yolk.

OREGON 4-H CLUB MEMBERS LEAD IN LIVESTOCK SHOW

Against the strongest competition in the history of the Interstate Junior Livestock show held at the San Francisco World fair, Oregon club members made a clean sweep of blue ribbons in the Aberdeen-Angus baby beef, took one blue ribbon in Shorthorn classes, and were second only to Texas exhibitors in the Hereford classes.

Of the 23 club members from six Oregon counties, 16 won one or more prizes on their animals. These were in competition with stock shipped from nearly every section of the United States. Some 4000 head of baby beeves, lambs, and hogs were shown.

Taylor High of Klamath county took highest honors among the Oregon exhibitors by winning first in the Aberdeen-Angus class with a baby beef weighing 650 to 800 pounds, and also took the breed championship. Charles Kik of Umatilla county placed first; Stanley Masten, Klamath county, second; and Kenneth Benschel, Umatilla, third, in the Aberdeen-Angus class with steers weighing 805 to 950 pounds. Charles Cheyne and Virgil Ratliff of Klamath county took first and second in the Aberdeen-Angus class with steers weighing 955 to 1100 pounds. Bob Blickenstaff of Klamath county was first in the low weight Shorthorn class. Robert H. King of Sherman county with two animals placed second and fourth in the Hereford 650 to 800 pound class.

Others who won ribbons in the Hereford class were Clayton Charley, Jackson county; Marvin Wellman and George Poulos, Baker county; and Joe Keller and Walter Ritter, Klamath county. Other winners in the Aberdeen-Angus class were Lawrence Ousterhout and Don Pruett, Jackson county.

BANG'S INDEMNITIES TO CHANGE MAY 1

Salem—With full federal Bang's disease indemnity payments to Oregon cattle owners scheduled to be discontinued on May 1, the state department of agriculture advises immediate action if the benefits are to be received.

Under a government ruling, the cattle must be tested and slaughtered before the deadline if the full benefits are to be received. After May 1, the federal government will only pay such indemnities as are equal to the sum of the state and county indemnities. In many instances this will not be equal to the present indemnity payments.

Under a government ruling, the cattle must be tested and slaughtered before the deadline if the full benefits are to be received. Sanders Sentenced to Pen.

Walter "Shorty" Sanders, 66, of Hermiston, was sentenced to one year in the penitentiary. Two years ago he was charged with assault with a dangerous weapon and placed on probation. Recently another similar information was filed against him and it developed that he had broken the terms of the probation, so he was arrested by the sheriff's department and sentenced.

NOTICE OF SHERIFF'S SALE OF REAL PROPERTY

Notice is hereby given that on the 6th day of May, 1939, at 10:00 o'clock a.m. of said day, at the front door of the County Court House in Pendleton, Umatilla County, Oregon, I will sell at public auction to the highest bidder for cash the following described land, to-wit:

The West Half of Lots 1 and 2 of the Northwest Quarter, and the West Half of the Southwest Quarter of Section 3 in Township 5 North of Range 35 East of the Willamette Meridian.

Excepting therefrom five acres in the Northeast corner of the West Half of the West Half of Section 3 in Township 5 North of Range 35 East of the Willamette Meridian, and being about 564 feet long fronting on the main public road and being 386 feet and 2 inches deep north and south.

Also excepting therefrom the following: Commencing at a point 40 rods East of the Northwest corner of said Section 3 and running thence South and parallel with the West line of said section 160 rods; thence in a South-westerly course to intersect the West line of said section 100 rods North of the Southwest corner of said section; thence South along the West line of said section to the Southwest corner of said section; thence East 6 feet; thence North and parallel with the West line of said section 100 rods; thence East 14 feet; thence in a Northeasterly direction to the North line of the Southwest Quarter of Section 3 and 20 feet East of the above described line running South, thence North and parallel to the West line of said section to the North line of said section; thence West 20 feet to the place of beginning; all being in Section 3 in Township 5 North of Range 35 East of the Willamette Meridian.

All of said land in Umatilla county, State of Oregon. Said sale is made under execution issued out of the Circuit Court of the State of Oregon for Umatilla County to me directed in the case of Occidental Life Insurance Company, a California corporation, plaintiff, v. Bruce Shangle and others, defendants, which said execution commands me to sell said land to satisfy the sum due said plaintiff, to-wit: the sum of \$6891.44, and interest thereon.

There will be delivered to the purchaser at said sale Certificate No. 20 for 8 2-3 shares of the stock of Powell Ditch Company, a corporation.

Dated April 3, 1939.
R. E. GOAD, Sheriff of Umatilla County, Oregon.
By J. A. CARNEY, Deputy.
(April 6-May 4)

LAND SALE NOTICE.

NOTICE IS HEREBY GIVEN,

That the undersigned, Sheriff of Umatilla County, Oregon, by virtue of an order duly made and entered herein by the County Court of Umatilla County, Oregon, on the 25th day of March, 1939, will on the 6th day of May, 1939, at the hour of 10:00 o'clock in the forenoon, sell to the highest bidder for cash in hand, at the front door of the Umatilla County Court House, Pendleton, Oregon, subject to a minimum price of \$15.00 therefor, to be paid in cash, at the time of sale, the following described parcel of land, heretofore by Umatilla County, Oregon, acquired for delinquent taxes, to-wit:

Lots 3 and 4, Block 18, Original town of Umatilla, Umatilla County, Oregon.

R. E. GOAD, Sheriff of Umatilla County.
(April 6-May 4)

NOTICE TO CREDITORS.

In the County Court of the State of Oregon for Umatilla County.

IN the Matter of the Estate of Lydia May Cable, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned has been appointed executor of the last will and testament of Lydia May Cable, deceased, and has qualified as the law directs. All persons having claims against said estate are required to present the same to me at the office of W. J. Warner, attorney, in Hermiston, Oregon, verified as the law directs, within six months from the date hereof.

Dated this 30th day of March, 1939.

ALFRED H. CABLE, Executor.
