kins, two wild pitches and an error. Athena stayed in the ball game by scoring three runs in the first of the last inning. Two runners got life on errors, Johns singled and Jones scored all three with a hefty double to centerfield. Hermiston won the game in its half when Rankin scored Knox with the winning run.

Rankin, Hermiston moundsman, struck out 13, walked four and allowed four hits. Zerba, on the rubber for Athena, struck out two, issued two passes and allowed nine hits. Coach Jack Hodgens' boys displayed a better brand of ball than in the Helix game last week.

**GARDEN CLUB CHATS**

May 1, next Monday, will be the next meeting of the club, and will be a short business meeting at the

library, to be followed by a pilgrimage to different gardens in the vicinity. Those having cars are asked to fill them with those wishing to make the tour. This will be at short distances, but interesting. From the library the group will visit the grounds of the M. L. Watson home, then to the F. C. McKenzie residence, Mrs. Alice Wagner, the Chas. Taylor yard, and to the Umatilla Experiment station, for different types of planning.

As the state federation will meet at Forest Grove the 14th, 15th and 16th of May, and the local club is entitled to send two delegates, this matter will be decided at the meet-

ing Monday, so come prepared to give your ideas on this question.

We promised to tell you when the iris gardens in Grandview will be at their best, and have heard from the management there that the peak of the display will be from the 10th to the 20th of May. For those wishing to make the trip to see these wonderful flowers, the Patterson ferry is the most direct route, and the Washington road from the ferry is in good shape to Grandview, where the Smith Iris gardens will be glad to have visitors.

We hope you are well started with your spraying campaign, for the black and green aphid and the curculio beetle are with us already, to mention only a few of these ever-present pests.

The Freewater Garden club is sponsoring a dog show during the first week in May, as part of the circuit of dog shows from Spokane to Portland. While dogs and garden lovers are notoriously antagonistic, this show is expected to put money in the coffers of the Freewater club.

Alfred Hottes says "A delphinium which needs a stake is untidy. A lawn which is not edged is like a face that needs to be shaved. Seed-pods which should be clipped from the plants are like a sink full of dirty dishes."

**TOWNSEND FLASHES**

There will be another important Townsend club meeting at the Legion hall Friday, April 28, at 7:00 p.m. All members are urged to be present in order to discuss the bill before congress and to elect a delegate to the national Townsend convention to be held soon at Indianapolis, Ind. The public is invited to attend. There will be a program arranged by the program committee of Mrs. Morehouse, Mrs. Prindle and Mrs. Hartley.

A jitney lunch will be served at the close of the meeting. The ladies' auxiliary will meet at the home of Mrs. Ann Smith on Thursday, May 4, between 1 and 4 o'clock.

J. K. Haskell, radio commentator, will speak in the Irrigon school on Tuesday, May 4, at 8:00 p. m. Mr. Haskell speaks each morning over KWJJ, Portland, on Townsend news. A large crowd is expected to hear Mr. Haskell Tuesday evening. A chicken dinner will be served for 15c following the program.

Students to Present Program. A piano musical program will be given at the Stanfield high school auditorium Thursday, May 4, at 8:00 p. m. by students of Mrs. Forrest Steinke. Readings will intersperse the various musical numbers. Students who will be on the program are Alma Anson, Lorraine Horner, Fay, Alice and Hazel Mae Davis.
