WORK ON TRACK FOR DERBY STARTED

Work will begin the first of the week to get the track ready for the coming Hermiston Derby races on May 27 and 28. The county grader and water wagon have been obtained and will be used to prepare the track for fast horses.

CCC boys will be on hand next week to help around the fair grounds and it is expected that by the end of the week everything will be in tip top shape.

Judges have been appointed and will be as follows: Bill Switzer, Umatilla; Herb Thompson, livestock director of the Pendleton Roundup, and F. B. Swayze of Hermiston.

The Dalles Breakfast club has accepted an invitation to attend the races and will come in a body. They will bring the famous German Band with them which will perform during the races.

The Walla Walla Junior Chamber of Commerce has promised to send a delegation to the races.

The second of two dances to help finance preliminary expenses of the races will be held Saturday night at the Hermiston Park dance hall. The Troubadours will be featured.

EXTENSION GROUP MEET AT PENDLETON

The annual program planning day for home extension work in Umatilla county was held May 3 in Pendleton with Miss Frances Clinton in charge, assisted by Mrs. Azelea Sager, director of home extension work, and Miss Lane, clothing specialist of O. S. C. Miss Dorothy Bishop, a home demonstration agent of Deschutes county, was present to observe the work.

The planning committee was composed of the chairman and a representative of each local unit. Mrs. Bert Quick and Mrs. W. H. Bensele were the Hermiston delegates. Mrs. J. H. Reid, her sister, Mrs. Parks, Mrs. W. A. Hinehine, and Mrs. H. M. Sommerer were also present in the interest of the county home extension committee.

Mrs. J. H. Reid was elected to replace Mrs. W. A. Hinehine, who was ineligible on the grounds she had served the four years allowed. The committee for 1939-40 will be Mrs. L. W. Owen, Pendleton, president; Mrs. E. J. Chastain, Freewater, vice president; and Mrs. L. A. McClintock, Pendleton, secretary-treasurer. Other members are Mrs. Chas. Simpson, Pilot Rock, who replaces Mrs. M. H. Carter, Pendleton; Mrs. Will Reeves, Stanfield, and Mrs. C. E. Fisk, Milton. They outlined their program for the coming year.

Following is the program: Care of the Hair; Care of Floors and Woodwork; Parent Education; Dress Alterations of Ready Mades; Textile Testing, and a Vegetable Plate meeting to include menu planning and the cooking of unusual vegetables.

From the following some special district meetings will be held: A Better Dress School; The Care of the Feet; Foundation Garments; Making of Christmas Gifts; Slip Covers for Furniture; Canning and Cold Storage; and an officer's training school.

Miss Clinton had the photographs showing some of the work done at the Better Grooming unit meetings, where preparations were made and used in facials and manicures. They are to be sent to the Women's World Congress, to be held in London in a few months.

Mrs. Sager announced that Mrs. K. Ethel Lathrop of Central Point, Jackson county, would be Oregon's delegate to this congress, and she was one of the four U. S. representatives selected to speak at the New York World's Fair as the delegates spend a day there before sailing for London.

Mrs. Sager also announced the year's sabbatical leave granted Miss Clinton. The members present at the planning meeting were entertained at luncheon by Mrs. Clinton. In appreciation of her courtesies and as a gift of remembrance the women presented Miss Clinton a purse of money to be spent in Europe.

Other Hermiston ladies who were present at the meeting were Mrs. E. E. Pulley, Mrs. Gertrude Sanders, Mrs. L. A. Burrell and Mrs. O. O. Felthouse.

Mrs. Rodda Wins Honors At Spring Flower Show Monday

exhibit of desert flowers and a miniature bouquet division. Mrs. B. A. Doyle won the blue ribbon for best sand blooms in that division and Mrs. Thomas O'Grady won the blue ribbon in the miniatures in which 19 exhibits were entered. Each bouquet was displayed in a compartment of its own, and all connected in a specially-designed shelving built by B. A. Doyle.

From the standpoint of number of entries and the crowds in attendance marked this first flower show of the Hermiston Garden club a tremendous success. Not only was the quantity large but quality of entries was exceptionally good. A fall show is planned, according to members of the Garden club.

Judges for the show Monday were Mrs. C. M. Best, Hermiston; Mrs. L. W. Jordan, Hermiston; Mrs. Donald Wair, Pendleton. Members of the tea committee included Mrs. William Logan, Mrs. R. C. Reynolds, Mrs. George Harkenrider and Mrs. Gerald White in the afternoon and Mrs. M. P. Casseday, Mrs. John A. Clarke and Mrs. Russell Piersol in the evening. Mrs. Tess Jackson registered entries and Mrs. Charles Taylor handled the publicity.

Mrs. F. B. Belt is president of the club. Mrs. James Todd was chairman of the committee in charge and members were Mrs. B. A. Doyle, Mrs. H. K. Dean, Mrs. Bert Quick and Mrs. Merle Phelps. Mrs. Dean acted as an advisory during the show and explained various phases of flower growing to interested spectators. Special mention should go to Mr. and Mrs. B. A. Doyle who were in charge of the staging and planning of the displays.

HIGH SCHOOL PEX PLEASES LARGE AUDIENCE FRIDAY

The annual Hermiston high school Physical Education exhibition was staged Friday night before a capacity audience. The entire performance was excellent with the crowning of Queen Eleanor climaxing the evening's program. A dance followed the regular program which featured various highlights of the Physical Education course.

The show was opened by an intricate drill by the girls of the P. E. classes. Coach Jack Hodgens presented his classes which pleased the large audience. Difficult gymnastics and a humorous exhibition proved exceptionally interesting. A tap dance by Phyllis Sires and Claudine Hale won the applause of the audience.

"Dream Express to Healthland", a pantomime dealing with the dreams of two little girls, followed the gymnastics. The entire play kept the audience in suspense and the eight health rules which appeared

GARDEN CLUB CHATS

A story of the Garden Club's first flower show is appearing elsewhere in the paper, so this department will confine itself mostly to saying a sincere "thank you" to all who helped make the affair a success. In addition to those who came to see the flowers and visit about the tea table, the committee mentioned others who helped "behind the scenes": B. A. Doyle who made the cabinet which housed the display of miniatures and L. H. Flora who painted it; Miss Eva Wilcox who made the attractive ribbons used as awards; the ladies who made corsages for the judges and those serving tea, and many others should feel that their willing help counted for much.

Over \$11.00 was taken in at the silver tea. The doubting Thomases who predicted "no flowers" were amazed at the display. Surely the next show in the fall will surpass anything of its kind ever produced here. Plans are already being worked out. Iris were predominant but the miniatures, a new department, were the center of attraction during the show. An excellent wild flower exhibit was a feature.

The flower show is just one more accomplishment of the club for the delegates, Mrs. F. B. Belt and Mrs. T. A. O'Grady, to report to the state federation next week.

Please make note that there will be no meeting of the garden club on June 5. Date of the next meeting will be announced in next week's column.

UMATILLA DAM HEARING HELD UP

Consideration of the rivers and harbors bill in the house, which generally embraces the contemplated appropriation of \$23,700,000 for the Umatilla dam, has been postponed until May 17, according to news dispatches from Washington.

Owing to the continued illness of Joseph J. Mansfield of Texas it was decided to wait until he is able to take the floor in behalf of the dam. Mr. Mansfield is a staunch supporter of the proposed dam and an able talker, and his services are desired when the bill is presented.

COURT OF HONOR HELD TUESDAY

Bill Belt and Tom Fraser were given first class Boy Scout ranking Tuesday night at the court of honor held in the American Legion hall. Bob Trumbull was admitted to second class rating and Frank Harkenrider, Gene Roberts and Jack Jackson are now Tenderfoot Scouts. Bob Trumbull gave a talk on safety and Bill Belt gave an exhibition of flag signalling.

Court of Honor was presided over by Stuart T. Earle of the state police department. He also talked on various phases of highway safety and stressed safety in the use of bicycles. Julius Gimble and Earl Watson aided in the ceremonies.

Bill Belt was awarded a merit badge in leathercraft. Bob Trumbull applied for the Senior Patrol Leader position.

Bob Smith, Charles Knerr, Gene Miller and Julius Gimble Jr. were admitted to Tenderfoot ranking at a previous Court of Honor held several weeks ago. At the same meeting Dick Belt, Jack Rodgers, Jim Allen and John Allen were given a second class ranking.

Switzer Elected Roundup President
