REORGANIZATION OF THE REFVEM GENERAL STORE AT STANFIELD, OREGON

EVERYTHING GOES ON SALE AT DRASTIC BARGAINS

QUICK ACTION IS DEMANDED

The present plans of the owner of this old established store calls for a complete reorganization. Some lines will be discontinued and others added to. A complete new policy and greater and better merchandise with lowest possible prices, will be put into effect immediately after this sale. In order to accomplish this in the quickest possible time, M. W. France & Co., well known merchandise adjusters, have been put in complete charge of this business. They have full authority to make all prices, and while we realize a gigantic loss will be necessary, we are glad to share this loss with our old friends and customers. It's our "Thank You" for your past patronage and our hopes for your future trade.
Sincerely, M. REFVEM.

STORE OPEN EVENINGS DURING SALE!

QUICK ACTION WILL BE GIVEN

We want to close everything in this store completely out so Mr. Refvem can have a clean start with his new plans. If the good people of this section really appreciate real low prices and the high quality merchandise carried by this store, we will have no trouble in selling everything. You have heard of sales and low prices before, but you have never seen anything like this, and perhaps will never see anything like it again. The wise will be here early and save—the others will stay away and complain about high cost of living. Smile, don't cry. We will be looking for you.
