RECORD CROWD AT CONVENTION

A capacity crowd turned out to the Bible Conference held recently at the Pentecostal Tabernacle. Services were held each morning for ministers at 9:30, and other meetings followed throughout the day. The services during the day were of a teaching nature and the evenings were given over to evangelistic meetings. A fine spirit of harmony and unity prevailed throughout the conference.

The ministers' meetings were for the study of pastoral theology and field training. All business of the district will be taken up during the first three days of the annual camp meeting which is to be at Turner, Oregon, from July 18th to the 31st.

MRS. SARAH A. NUGENT

Mrs. Sarah A. Nugent of Sacramento, Calif., mother of W. R. Nugent of Umatilla, died at her home on Wednesday, June 7. She was a native of Iowa but came west about 40 years ago and settled in Sacramento where she has lived since. She spent several summers at the home of her son and daughter-in-law at Umatilla and became very well acquainted and beloved by a host of friends in Umatilla, Hermiston and Pendleton.

She leaves four sons, two daughters and several grand and great grandchildren to mourn her passing. She was 76 years of age at the time of her death.

Mr. and Mrs. Nugent were called to her bedside the early part of last week and returned home to Umatilla Sunday. Mrs. Nugent was buried in Sacramento with a very large funeral and many lovely floral offerings.

5 Points to remember about Gasco Briquets

- 1 A 100% petroleum fuel—ideal for furnace, fireplace or stove. (No special equipment needed)
- 2 Highest heat content of any solid fuel.
- 3 No banking or shaking. Hold fire all day or night.
- 4 No ashes or clinkers to carry out.
- 5 One ton of Gasco Briquets is equal to two cords of the best grade first-growth cord wood. Gasco Briquets cost less per season than the best grade bituminous coal.
 - (a) Gasco Briquets are an all-carbon fuel.
 - (b) They contain practically no ash (about 1/4 of 1%).
