MOR-TONE SOUND SERVICE

HERMISTON, ORE.

GARDEN CLUB CHATS

Thoreau, the writer and lover of nature, said, way back in 1853, "As soon as these spring mornings arrive in which the birds sing, I am sure to be an early riser. . . I have an appointment with Spring. She comes to the window to wake me and I go forth an hour or two earlier than usual." Don't we all!

Sunset magazine for March has an interesting article on that well-known darling, the dandelion. It seems that down near Salem there is a three-acre farm planted to dandelions, and you would be surprised at the grief they have, trying to get a nice, healthy crop to market! It seems that it's hard to get a good stand at first, but after they become established, they're permanent for several years! They must be fertilized with bone meal, sprayed or dusted with sulphur to control aphids and really do better under certain soil conditions! Seriously, though, there is quite a market for the plant; the roots are used by pharmacists, the

leaves good eating as table greens, the flowers are used in wine making and the seeds are used in dye making. Seed has to be harvested by hand twice a day for two weeks, and one picker, if he's good, can harvest about 20 pounds a day. The seed, in Eastern markets, brings around a dollar a pound. Our idea of a busy person is one who is trying to pick twenty pounds of dandelion seed in a day!

Are you remembering to boost your community by taking flowers into the Herald office for display?

Delphiniums, white lilies and pink roses make a combination in the garden that's hard to beat for sheer beauty.

Perhaps it dates us, but we still have memories of the "rose jar" that stood on the parlor table in our childhood. We have come across a recipe for the making of one of these delightful bowls, and will be glad to print it if requested.

When you cut flowers for a bouquet, strip the stems of foliage to at least a third of the way from the base. This prevents the decay of

soft leaves and stems which cause discoloration of water, bad odors and clogging of cells at end of stems. If care is taken with the part of the stems under water, it will prolong the life of the flowers and make it unnecessary to change the water daily. Adding water from time to time will be all the care that is required.

The above advice is gleaned from an excellent book, "Flowers, East-West" by Conway & Hiatt, which should be on the shelves of every library in towns where garden clubs or flower lovers are active. There are pages of simple but invaluable advice on the care of cut flowers, flower arrangements, etc.

Also of value is a short article in the July issue of the Ladies Home Journal on the same subject.

Echo Garden club will be host to a regional picnic of garden club members in the Echo park on June 21. There will be an interesting program after the noon picnic lunch, and all garden club members are asked to come. Members of the local club are asked to bring cake or cookies and table service for one. Our president, Mrs. F. B. Belt, has asked that all members of the Hermiston club who plan to attend the picnic let her know at once, as the Echo committee would like to know the approximate number planning to attend from other clubs. A card or phone call to Mrs. Belt at once will be much appreciated.

Next regular meeting at the library June 19. Speakers will be Mrs. T. A. O'Grady on flower arrangement, Mrs. Emerald Tilden on lilies and Mrs. Baxter Hutchison's talk will be on honeysuckles. Honeysuckles, both in the shrub and vine form, grow well here, as do lilies of all kinds, and these talks should be of value. The arrangement of cut flowers is a fascinating subject and a big factor in the ultimate success of your work in the garden, so a large turnout is expected, Monday, June 21, at the library, at 2:00 p.m. sharp.

Many Attend Lizzie Races. Hermiston was well represented at the Tin Lizzie races in Pendleton Sunday afternoon. General opinion was that the lizzies were able to muster considerable speed and put on quite a performance. Going from here were Mr. and Mrs. A. A. Estle, Mr. and Mrs. R. C. McReynolds, Mr. and Mrs. Jim Todd and Peggy, Mr. and Mrs. C. J. Jackson and son, Miss Maxine Faust, Mr. and Mrs. Paul Van Patten, Mr. and Mrs. A. F. Rohrman, Bill Jackson and Jesse Moore.

M. E. CHURCH ELECTS OFFICERS

At the recent annual meeting of the Methodist church the following officers were elected and will begin their duties on July 1st: Trustees, H. J. Ott, M. L. Watson, G. Casper, Alva Boulware, M. Fuller and John DeMoss; the Stewards, George Sale, Mrs. A. E. Marble, M. L. Watson, Wm. English, H. J. Ott, Mrs. Ruth Holloman, Mrs. G. Casper, John Pace, Mrs. Chas. Shawn and Mrs. Mabel Boulware; the Recording Steward will be Rebecca Pierson; the Disbursing Steward, Mrs. Emma Felthouse; Connectional Steward, Mrs. Gertrude Sanders; the Communion Steward, Marjorie Burnham; Director of Religious Education, Mabel Boulware; Secretary of Good Literature, Robert Pierson; and Trial of Appeals, K. D. Pierson.

Besides these, the regular committees on membership, music, finance and other affairs of the church were named. With the coming new year, there is a bright outlook for the prospects of the church work in this community which the church is serving.

HERMISTON UNION CHURCH

C. Warner, Pastor.
The Sunday school will meet at 9:45 instead of the usual hour and dismiss at 10:30.

There will be no morning worship service at the church building, but it will be held at the home of Roy Neill of Pine City, followed by a picnic dinner on their beautiful lawn. This is an annual event wherein the Heppner, Lexington and Hermiston churches unite for a day of worship and play.

The regular evening services will be held as usual, Christian Endeavor at 7:00 and evening worship at 8:00.

METHODIST CHURCH

Stearns Cushing, Pastor
"What Is It To Be A Christian?" will be the closing sermon of the year before the pastor goes to the annual conference. With this subject comes the challenge to belong to the church. Not this particular denomination, but to some church. Why? Because it has been the visible means through which God has worked for the spread of His Kingdom on earth. Directly or indirectly all Christian influences have come from the organized church. Also, you would not live in a place where there was no church. It is wrong and selfish for you to desire or expect the benefits of the church while refusing to sustain the same by being a member. You need the help of God's church, and the church needs you, therefore you should join it and do all in your power to establish it, for your blessing and for the blessing of others. We invite you to find your place of worship in the Methodist church. Sunday school at 10 o'clock. Morning worship at 11 a. m. Epworth League at 7 p. m.

HERMISTON BAPTIST CHURCH

Grayden D. Loree, Pastor.
Sunday school, 10:00 a. m.
Morning worship, 11:00 a. m.
B.Y.P.U., 7:00 p. m.
Evening service, 8:00 p. m.
Prayer meeting, Wednesday, 8:00 p. m.

The Sunday morning message will deal with the theme of Salvation. The doctrinal side will be discussed as to depravity, atonement, faith and election. "Amusements and Christian Young People" will be the B.Y. P.U. topic. Chester Dyer will be leader. The topic for the evening evangelistic service will be, "Why I Am a Christian." All are cordially invited.
