COMMERCIAL REVIEWS

OF PENDELTON FIRMS

By Jack Ferris

RIVOLI AND ALTA THEATRES DESERVE MENTION HERE

How few of us stop to realize the improvements that have been made in the motion picture industry in the past 15 years. Today motion pictures are considered from an educational as well as from an entertainment standpoint, and not a little of the credit for the advancement of the motion picture industry is due to theatre proprietors.

The Rivoli and Alta Theatres in Pendleton, owned and operated by Silva Matlock, are home owned institutions. Mrs. Matlock, personally as well as through the theatres, has always striven to give these communities the best that the market affords in pictures. In this review we wish to compliment Mrs. Matlock upon the high class recreation she is offering to the public of this section and the position of prominence she has attained.

JACK ALLEN SUPPLY COMPANY

A few years ago anyone wishing replacement parts for his automobile was forced to send to the factory for them. Today you have this modern automobile parts house located at 128 Court St. in Pendleton where you may purchase the parts needed. Specify to your own mechanic when making repairs on your car that the parts be purchased from this house.

This progressive auto parts company has studied the needs of the automobile owner and invested the time and money to carry their its enormous stock. The management of this concern takes an active interest in the affairs of the community and in making this Commercial Review we wish to compliment them upon the fine work they are doing and the efficiency of their methods.

CONSOLIDATED DAIRY

This modern up-to-date dairy is one of the best known in this community. "A bottle of milk is a bottle of health" is an expression of today that is quite in order. Many people can point to their pure healthful milk and say this. Serve milk at meal times and between meals too to the whole family. Order extra milk today from the Consolidated Dairy at Riverside in Pendleton, telephone 579.

Milk consistently used builds up health and vigor in the frailest body, colors pale cheeks and revitalizes wasted nerves. In making this review of the leading firms in Umatilla county we wish to point out and compliment the Consolidated Dairy and congratulate the people upon having them here.

ROESCH BREWERY MAKERS OF OLD MASTER BEER

Among the business firms that are helping to keep beer in its rightful place in the hearts of the people is the Roesch Brewing Co. at Pendleton, makers of that famous "Old Master Beer." Doctors tell that beer is the finest thing in the world to build up undernourished bodies, as it contains the concentrated elements of all of the rich cereals, such as barley and malt with the hops added to give it that palatable refreshing flavor.

The Roesch Brewing Co. at Pendleton is helping to build Pendleton, helping to bring back that long awaited prosperity. Ask for Roesch Old Master Beer, whether you want a bottle for your lunch or better still order a case for your ice box and you will always have a satisfactory beverage to offer to your guests.

BUSBY'S CAFETERIA

There is something about the Busby's Cafeteria that sets it apart from other eating places and makes it highly satisfactory. The extreme care and thought that goes into everything, the cooking, serving and service creates an eating place to be visited regularly.

Here good food is combined with moderate prices. Proper food well cooked is an absolute essential to good health.

We are pleased to direct special

attention to our readers and urge them to drop in the next time they want a real good sandwich or meal.

LEE'S PLACE

It is only natural for all of us to enjoy laughter, bright lights and comfort. Lee's Place in Pendleton offers the people of this section real enjoyment. At Lee's Place there is entertainment for all.

Good food is another factor in helping to to enjoy yourself. Under the personal management of Mrs. Lee, they put forth every effort to serve you with food that is delicious.

The tasteful decorations, atmosphere of gaiety, good food all combine to make your evening extremely enjoyable. You will appreciate the good fellowship and courteous service, and that visit will be one that you will always remember and make you want to come back again.

SMITH CANNING CO.

Any business to be permanently successful must be founded on the principle of honesty and fair dealings. From these there can be no deviation regardless of economic or other conditions.

These Smith Canning Co. has maintained a high standard and through good times and bad their principles have never been violated.

In making this review of the progress of this community we are glad to call to the attention of the people the advantages occurring to the public by the location of the Smith Canning Co.

Here the high quality of the products, their enviable reputation of fair and honest dealing has made them a host of friends and customers.

JUDGE FRIEDLY DESERVES MENTION

The dignity of the judiciary is an American tradition and the high standards maintained by this branch have always been a stabilizing influence in the affairs of the nation. The men who are chosen by the people to carry these heavy responsibilities are of a necessity, men of the highest type. Faith is always reaffirmed when men of the caliber of Judge Friedly are interpreting the laws of the country.

UNION PACIFIC RAILROAD

PROGRESSIVE

"I thought I knew all about automobiles!"

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years. Today's advanced Ford is a product of progressive engineering, fine materials and honest construction. It is backed by an experience of building far more cars than anybody else in the world. One ride in today's Ford — with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes — will prove it's the modern car in the low-price field.
