### CHRISTIAN SCIENCE CHURCHES

"GOD" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 2.

The Golden Text was, "Unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (1 Tim. 1:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths" (Prov. 3:5, 6).  
 The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is incorporeal, divine, supreme, infinite Mind, Spirit, Soul, Principle, Life, Truth, Love" (p. 465).
